

Gold 12 spends a Saturday at the Salvation Army Christmas Warehouse

December 17, 2019

On Saturday December 7th Gold 12 volunteered their time at the Salvation Army Christmas Warehouse. Swimmers and parents spent their time 'shopping' for children whose families would receive the toys.

Every year, the Salvation Army runs this program providing gifts for kids whose parents would not otherwise be able to give them presents in the holiday season. We are so proud of our swimmers, who put their hearts into choosing the very best toys for the kids on their lists. A special thank you goes out to those swimmers who showed up with a new toy to donate to the program
