Windsor Aquatic Club

Swimmer Code of Conduct

The goals of the Windsor Aquatic Club are to develop a strong team and community spirit founded upon teamwork and good sportsmanship. Our Club must strive to project an image that will make all of its members proud of the team and of the sport of swimming, and to represent our community responsibly when at home or traveling.

1. Swimmers are expected to conduct themselves in a dignified manner that shows respect for fellow swimmers, coaches, lifeguards, all officials and facilities, and everyone's personal property.
2. Swimmers are expected to attend work-outs scheduled by the coach and to be on time. If they know in advance that they will be missing a practice session, or will be late, they must inform the coach.
3. Swimmers are expected to refrain from acting in a way that could result in injuries (no horseplay).
4. Bullying in any form will not be tolerated.
5. Swimmers are expected to help create a supportive atmosphere in both training and competitive settings. Treat all athletes as you would like to be treated.
6. Swimmers are expected to refrain from using profane or disrespectful language.
7. Swimmers are expected to refrain from the use of banned substances, alcohol, and illegal drugs.
8. Swimmers are expected to have permission from the coach to leave the deck during practice or meets. (For safety reasons, the coach must know where swimmers are at all times.)
9. Swimmers must represent the Windsor Aquatic Club in a positive manner at all times.
10. Be a good sport. Cheer your teammate's performances and treat other athletes, parents, officials and coaches with courtesy and respect at all times.

This Code of Conduct is in effect during all WAC activities. Breach of the code can result in, but is not limited to, suspension from practice, suspension from competition, formal verbal or written apologies and any other form of disciplinary measure considered appropriate by the club.
