

**Dear West Vancouver Otters Swim Club Member:**

As British Columbia public health authorities develop guidelines to lift some restrictions on gathering in a responsible way, West Vancouver Otters Swim Club (WVOSC) has been working with Swim BC to understand the recommendations of our Chief Provincial Health Officer and how they best apply within our sport and club environment.

The attached **"WVOSC Return to Swimming Plan"** has been developed for our club in order to ensure that:

- health and safety of all individuals is a priority.
- activities are in alignment with provincial health recommendations.
- modifications to activities are in place in order to reduce the risks to each of our swimmers.
- our sport is united and aligned on a plan to reopen throughout the province.

While we do hope things will return to normal soon, currently this "Return to Swimming Plan" will be the "new normal" until we are advised otherwise by public health authorities.

If you choose to participate, you must follow these rules:

1. If you don't feel well or are displaying symptoms of Covid-19, you must stay home and notify the coach and/or the WVOSC Covid-19 Safety Officer.
2. If you have traveled outside of Canada, you are not permitted at a practice until you have self-isolated for a minimum of 14 days.
3. If you live in a household with someone who has Covid-19 or is showing symptoms of Covid-19, you must stay home and notify the coach and/or the WVOSC Covid-19 Safety Officer.
4. Wear your suit to practice (no changing at the pool).
5. Wash your hands or use hand sanitizer if washing is unavailable before participating.
6. Bring your own equipment, water bottle and hand sanitizer.
7. Comply with physical distancing measures at all times.
8. Avoid physical contact with others, including shaking hands, high fives, fist bumps, elbow bumps etc.
9. Leave the facility as quickly as possible after you finish.
10. Comply with the policies and procedures set out in our Return to Swimming Plan and Illness Policy.
11. Sign and return to WVOSC the **"WVOSC Participation Agreement"**, the **"WVOSC Illness Policy"**, and the **"Swimming Canada/Swim BC Acknowledgement and Assumption of Risks Form."**

Our "Return to Swimming Plan" is based on current public health guidance. While we are all doing our best to minimize the risk of exposure to COVID-19, it is impossible to completely eliminate the risk due to the continuing transmission of the SARS-CoV-2 virus. Each participant must make their own decision as to whether it is in their best interest to resume participation at this time. You must take into account your own circumstances and make the decision that is right for you.

Should you choose to join us, we require your full cooperation with our "Return to Swimming Plan".

Sincerely,

---

## POOL TRAINING

In order to facilitate all safety guidelines put forth by Swim BC and our Chief Provincial Health Officer, we have designed a pool training schedule that can accommodate our swimmers.

### Schedule

- Starting in October 2020, the LMR Red/Gold, AA, Provincial, Youth and National groups will begin training. OSA and Youth Development groups will begin training at a later date (tentatively November 2020; details TBC)
- Please check the Otters' website for up-to-date schedules: <https://www.teamunify.com/Home.jsp?team=canwvosc>
- Swimmers must perform a self assessment using the "BC COVID-19 Self-Assessment Tool" prior to attending practice. The link to the tool can be found here: <https://bc.thrive.health/covid19/en>. Swimmers can also download the mobile app and perform the assessment via the app. Links to the mobile app downloads can be found here: <https://bc.thrive.health/>.
- Swimmers will arrive and depart the pool through the appropriate entrance/exit. For sessions in the leisure tank, please use the door by the Great Lawn for entry/exit from the pool. For sessions in the main

tank/deep tank, please use the door off 22<sup>nd</sup> Street for entry/exit. Different pools may be for different sessions. Please ensure that you check the schedule carefully to see which pool your swimmer will be swimming in per session.

- Swimmers are **required to wear PPE (ie. Face mask)** when waiting to enter the facility and when entering the facility. PPE must be kept on until they get into the water.
- Swimmers are asked to arrive ON TIME (between 5-10 minutes before their scheduled start time) and not show up more than 10 minutes early. If swimmers are early, please stay outside the facility (while maintaining physical distancing)/in their vehicles until the time is right. Please note that late comers may not be allowed to swim.
- The coach in charge will greet swimmers outside the facility at the appropriate entrance (please see above). Swimmers will adhere to all physical distancing guidelines while outside and remain 6 feet apart from each other. Parents, family members and spectators will not be allowed to wait with the swimmers or be allowed to enter the facility.
- In regards to back-to-back groups, previous groups of swimmers will leave the facility before new groups enter.

### Format

Above: Figure 1 – leisure pool

Above: Figure 2 – main pool

- *Figure 1 (above left):* In the leisure pool, we will combine lanes 2 and 3 to make a larger lane (there will be no lane rope between lanes 2 and 3). Lane 1 will be separate from lanes 2 and 3 (there will be a lane rope separating 3 from 1 and 2). We will have 4 swimmers in lanes 2 and 3 and 1 swimmer in lane 1 for a total of 5 swimmers per session.
- *Figure 2 (above right):* We will have double lanes in the main tank; double lane meaning 2 lanes combined into 1. There will be 6 swimmers per double lane in the main tank. This means that we will either have 6, 12, or 18 swimmers per session in the main tank.
- *Figure 3 (below):* The deep tank will have 4 swimmers per session.
- Swimmers must line up in their assigned lanes only. Physical distancing will be followed while lining up. No congregating on deck.

- Physical distancing will be observed as much as possible when swimmers are at the wall.
