

# HAWK SPONSORS - Reboot!

The El Dorado High School's Aquatics Program invites you to support its 2022-2023 school year by participating in our "HAWK SPONSORS" fundraiser. Corporate sponsorships play an important role in the growth, development, and success of our program therefore, we invite you to partner with us by participating in one of our two sponsorship options. We will proudly display your company name on our "Friends of ELDO" banner OR your personalized banner will hang on our pool deck for year round visibility being seen by hundreds of spectators attending EDHS and Club Aquatics Programs. What a great opportunity to help El Dorado Aquatics and advertise your business.

## Corporate/Business Sponsorship
