PIRANHAS AQUATIC CLUB - SWIM PARENT ONLINE GUIDE

Transfers from another USA swim team:

1) Complete the USA Swimming Transfer Request Form: teamunify.com/snslsc/UserFiles/File/Transfer%20Form.pdf

2) Submit to board registrar: registrar@elkgrovepiranhas.com

New swimmers to USA swimming:

1) Register your swimmer with USA Swimming using www.swim-smarter.com.

2) This is how you will receive your swimmer's USS ID # (MMDDYY then first three letters of first name, middle initial, first four letters of last name)

3) LSC/Region: Sierra Nevada

4) Club Code: PAC

5) Setup an account on ome.swimconnection.com using your USS ID# (this allows you to enter meets and track your swimmer's results)

Entering Meets:

1) On the ome.swimconnection.com site you can now select the "enter meets" tab

2) Only enter meets that our team is attending. You can find our meet schedule here: https://www.teamunify.com/SubTabGeneric.jsp?team=cczpt&_stabid_=105696

3) Review the meet sheet which contains all the information about the swim meet

4) Select the "Enter" button next to your swimmer's name

5) Select "Get All Best Times" which will fill in all of your swimmer's best times from the main swim connection database

6) Leave the entry times in the desired events and clear the times from the events you don't want your swimmer to swim.

7) If your swimmer has no times enter NT (no time) in the entry time field of the events you want your swimmer to swim.

8) If NT is not allowed talk to your coach about estimating times for the swimmer

9) Click "Save"

10) Click "Done"

11) Follow the steps above to enter another swimmer or select "Go to Payment Page" to complete your meet entry.

12) Once your meet entry is completed you will receive two emails: one confirming the billing and one confirming the events and times.

Tracking Your Swimmer's Times:

1) Set up an account on www.swimconnection.com

2) Click "add swimmer to profile"

3) Enter swimmer's USS ID#

4) You need a userid for both your swim connection and OME swim connection accounts.

5) Now you can track your swimmer's best times and meet history.
