

# PASEO SWIMMING

THE PATH TO EXCELLENCE

Hello Families

As we move towards “Return to Water” a few things have occurred this week. Of most importance, is we were notified by Santa Clarita Aquatic Center that June 22<sup>nd</sup> would not be a return date. There is discussion now of July 1<sup>st</sup>.

We are working diligently on our side securing lane rentals to be able to provide enough access for our team. Its not as easy as before as we are limited to number of swimmers per lane to maintain social distancing. Which means it will now take more lanes per group. Which will spread out the time slots for each group.

We thank you for your patience during this time.

Many Blessings,

Coach Chris
