WATER POLO

SUMMER 2021 JUNIOR WATER POLO for 3rd through 8th graders

This program offers young people the opportunity to learn one of the most exciting, fast-moving Olympic sports from the ground up. Water polo has been compared to soccer in the water. The obvious difference is that you are moving through the water and not air. That's a good thing in Fresno during the summer! Movement through the water, defensive skills and positioning, ball handling, passing, shooting and offensive positioning will be the emphasis of this program. Practice schedule is as follows: **Mondays, Tuesdays and Thursdays from 9:00 to 10:30am, June 14th through July 22nd.** Scrimmages and games will be announced during the first week of the program.

PROGRAM FEES

\$180 if registered on May 27, 2021. \$195 after May 27, 2021. Each athlete must be a member of USA Water Polo at the bronze level.
