**APPENDIX B1: ALL-CENTRAL ZONE TEAM
(INAUGURAL TEAM – 2008)**

The Central Zone of USA Swimming recognizes the following athletes from its LSCs as members of the All-Central Zone Team. The Inaugural Team was established in 2008. Athletes are added as they are nominated by their LSC. To be eligible for this honor, an athlete **must be nominated** by the LSC which is generally considered the athlete’s “**home**” LSC and meet one of the following criteria:

- Have set two or more individual Central Zone records in any age group
- Have swum a Central Zone Championship time that was ranked #1 nationally for that season
- Have been a Central Zone Championship meet participant who went on to qualify for one or more of these USA Swimming teams: Junior National Team, Senior National Team, or U.S. Olympic Team.

LSCs that have no qualifiers based on the above criteria, the LSC may nominate one male and one female athlete to represent the LSC on the All-Central Zone Team.

APPENDIX C: CENTRAL ZONE CHAMPIONSHIP MEET HISTORY

The first Central Zone Championship Meet was held in 1980 in Lincoln, Nebraska. Since 1984, Central Zone has sponsored two meets each year. The exceptions have been 2003 and 2008, when swimmers representing all 15 Central Zone LSCs competed in Indianapolis at the 20th and 25th Reunion MegaZone Meets. APPENDIX F:
CENTRAL ZONE CHAMPIONSHIP PROCEDURES
FOR
INCLUSION OF SWIMMERS WITH DISABILITIES
14 & U MEETS

1. Swimmers with disabilities may compete without having achieved the qualifying standard for their age group. However, they must provide a time for each event they enter. Swimmers with disabilities shall be highlighted on the hard copy of the LSC's meet entry. Classification of a swimmer with a disability is irrelevant. LSCs must use the attached form to enter a swimmer with a disability.
2. Each LSC may select two swimmers with disabilities age 10 & U, 11-12, and 13-14 in any manner deemed appropriate. Examples of selection criteria and procedures are available from the Central Zone Director.
3. Swimmers with disabilities may compete in finals, earn awards and score points for their team in the same manner as the able bodied swimmers. No special awards are necessary.
4. It is the responsibility of the swimmer, or his/her coach, to inform the Meet Referee of any disability-related accommodations he/she may need to compete. This information must be given in advance of the meet. The Meet Referee shall inquire about the swimmer's needs and determine any modifications that may be required. This information shall be relayed to the starter and stroke and turn judges. Visually impaired swimmers who require tappers must bring their own devices and individuals to use them.
5. Aside from the norm, the Meet Referee has the ability to seed the swimmer with a disability in a number of ways. These options include: seed the swimmer with others of the appropriate gender, allowing the swimmer to complete half the distance of their age group (swim the 100m backstroke during the 200m race), or swim with a younger age group where their entry time is similar to the able-bodied swimmers for the same distance (a 14 year old swimmer with a disability could swim the 100 freestyle with the 9-10 age group). The final meet results should show the swimmer with a disability listed in the correct age and event, regardless of where he/she actually competed. The Meet Referee may reassign the lane of a deaf swimmer if a required view of the strobe light is obscured, and the light cannot be repositioned.
6. It is the responsibility of the USA Swimming Disability Chair to provide the Meet Referee with current American Records for swimmers with disabilities. It is the swimmer's responsibility to complete and submit an application for an American Record should one be set.
