MOTION: to award the 2002 Zone Meet to Sheridan Swim Club (Quincy, IL) for August 9-11. PASSED. (*Note: it is understood that Quincy's bid was provisional and would be withdrawn if the club was unable to support the meet. Pete Malone (MW) indicated that Wichita Swim Club is willing to host the meet if the Quincy bid is withdrawn.*)

Site Selection Committee made the following LSC assignments:

MN – 885 athletes – August 9-11, 2002 -	MN, IN, MI, MW, IA, SD, ND, OZ*
IL – 756 athletes – August 9-11, 2002 -	IL, MV, OH, WI, LE, OK, AR, OZ*

Note: If the meet is in IL, OZ will go there. If the meet is in Wichita, OZ will go to MN.

Delegates from Wisconsin expressed concern that the Site Selection Committee did not ask each LSC for their site preference. (WI prefers to be assigned to the MN site. The Site Selection Committee was directed to reconvene and present a recommendation for assignment.)

MOTION: to approve the following recommendation of the Site Selection Committee:

MN — August 9-11, 2002 - WI, MN, MI, MW, IA, SD, ND, OZ*

MOTION: to approve the original recommendation of the Site Selection Committee. **PASSED.**

(Note: Quincy, IL subsequently notified the Zone Directors that they could NOT host the 2002 Central Zone. Wichita Swim Club has confirmed that they are able to host the meet. Therefore, OZ will move to the MN site. Open Water dates will be announced soon.)

UNFINISHED BUSINESS

TASK FORCE FOR MANUAL: Julie Bare (LE), Paul Jones (MI), Betty Kooy (MW), Paul Lundsten (MN), Dustin Guidry (OK)

ADAPTED SWIMMING PROPOSAL

MOTION: Each LSC may enter two 12 & under and two 13-18 swimmers with a disability (SWAD) in the Central Zone Championships. The SWAD will not be required to achieve qualifying times standards for their age groups/events. This proposal will be effective with the 2002 Central Zone Championship meets. The practice of including SWAD will be re-evaluated at the 2004 Central Zone meeting. **PASSED.**

ATHLETE REP FUNDING (FOR ZONE MEET OBSERVATION)

MOTION: to fund an athlete rep to both zone meets to interact/get feedback from the athletes.

Delegates discussed funding questions and the impact on the Zone treasury. Several ideas were presented for funding; including, proportional funding per LSC based on the number of athletes attending the meet and increasing LSC dues. Additional discussion raised questions as to the need for chaperones (if the athlete rep was a minor, for example).

The Athlete Reps were asked to discuss issues of funding, criteria for selection of athlete reps to the zone meets, and chaperone requirements with the AEC and bring forth a new proposal next year.

MOTION WITHDRAWN

Indiana would like feedback from the LSCs about the mega-meet proposal for 2003. It was noted that CZ could pass a resolution (to be voted on next year) to make an exception to the requirements made in the manual in order to provide for a single meet site.

With no other unfinished business, a **MOTION was made to adjourn.** **PASSED.**

Respectfully Submitted,
Lynn Kinstler (IN) (for Betty Kooy)
