

Thanks for your interest in the Denver Stingrays. We are a small USA Swimming Club Team in northeast Denver, primarily serving the Central Park Community. We are a USA Swimming Club Recognition Level 2 Program. We are Safe Sport Recognized, one of only 12 clubs in Colorado at the moment. We offer a program that develops competitive strokes and increases endurance for each participant according to their ability and commitment. We will start outside on 8/16/21 at Runway for the first month before moving inside on 9/16/21.

2021-2022 Registration

Registration for the upcoming season is scheduled to open on August 12th. Registration will be limited, especially due to Covid.

Covid policies and procedures will regulate what we are able to offer at this time. Requirements are subject to change.

Fees

There is an initiation fee of \$225 per swimmer. This fee covers required USA Swimming insurance for each participant to practice and compete, a team t-shirt, a team cap and contributes to pool rent. Segment goes through March.

The monthly option \$145/swimmer/month.

There are discounts up to 15% for families with multiple swimmers.

A tentative meet schedule will be published on the website. As meet announcements and event templates are posted, additional info will be emailed as well as registration deadlines.
