# Lilley Gulch Pool Deck (Senior & Senior Prep)

## Entry Procedure / Individual Stations

- Masks stay on from leaving vehicles until we jump in the water
- Maintain 6 ft apart when waiting to get into building (marked by cones)
- Temperature checks will be done before entering (below 100.4°F in order to enter)
- Entry will be one at a time, in the following order: A6-A1, B6-B1, C6-C1, D6-D1.
- Bags will go directly behind lanes in marked spaces (A against wall, C against wall, D on chairs) or on marked spaces on bleachers (B) This is your "station."
- Your station corresponds to your position in each lane (shown on next slide) (example: B3 will swim in lane 3)

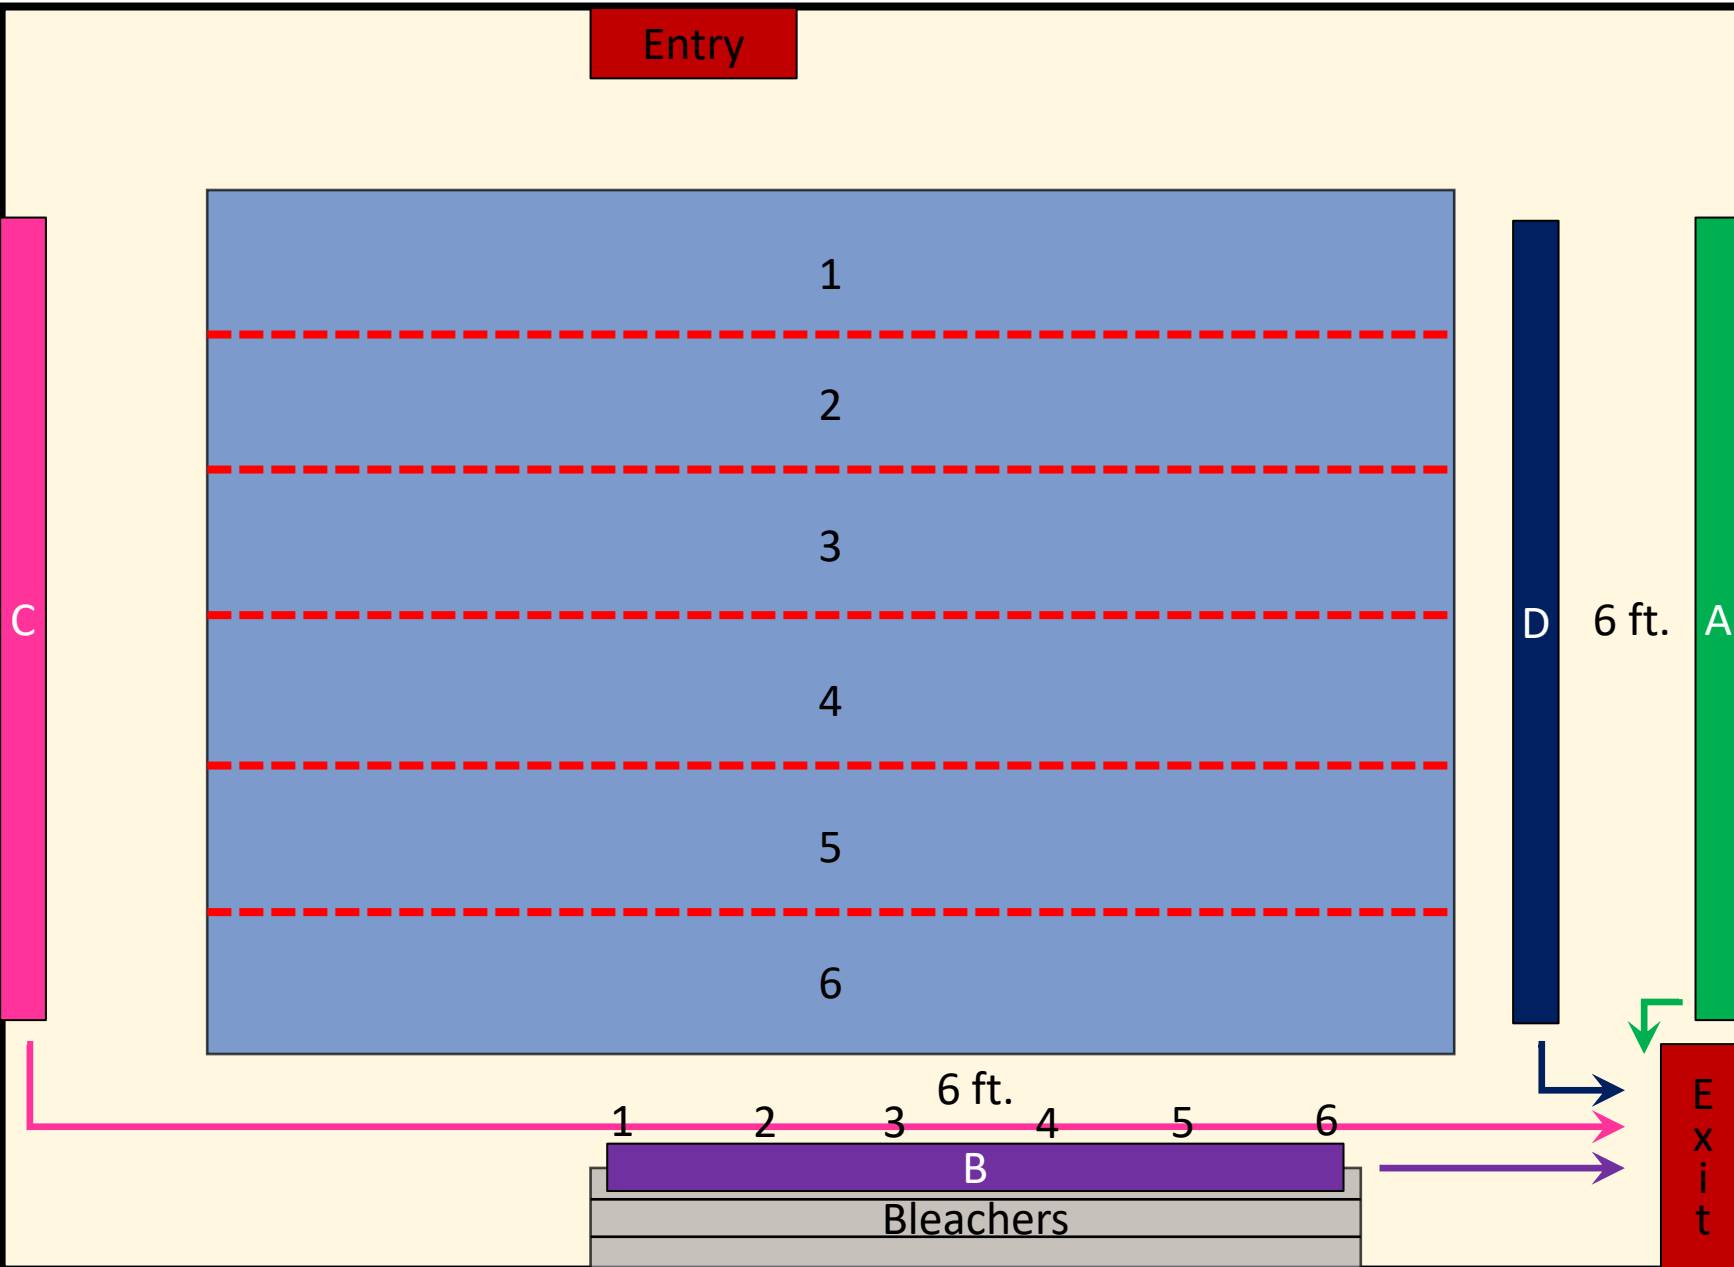

## Lilley Gulch Lane Setup (Senior & Senior Prep)

### Lane Stations / Swimming Procedure

- Remain at individual bag stations until it's time to get into pool
- A and B stations are on the wall, C and D stations are just outside the flags, facing the nearest wall
- C and D stations will have markers visible from above and below water levels
- Entry into pool = C (1-6) and D first ; A and B next
- All stations start at the same time and will swim in a normal circle-swimming pattern
- All stations will start and end at the same location

# Lilley Gulch Pool Deck (Senior & Senior Prep)

## Exit Procedure

- Pool to individual station exit order: A & B (6-1) first ; C and D next
- Go directly back to your station. Dry off/ put clothes over suit/ put mask on
- Individual station to building exit order: B, D, C, A
- Keep masks on until getting back in vehicle
