A	\$175	\$255
B	\$175	\$205
C	\$175	\$185

- Annual Registration Fee is due with the first month dues. Includes USA Swimming Membership.
- Monthly dues are charged during all months of operation. HS Athletes will be billed if participating with the Nutmeg program.
- Notification of withdrawal from the program must be made by the 20th of the month preceding withdrawal to avoid being billed. A lapse in participation, for any reason other than participation on a High School team, will subject the account to a new registration fee upon returning.
- A multi-athlete discount will be applied to monthly billing; 5% 2 swimmers, 10% 3+ swimmers.
- Monthly billing transactions will occur on the 1st of the month, or the earliest possible business day. Accounts can always be monitored on our website and a statement will be emailed to the address on file prior to the billing cycle commencing. All monthly payments, no matter payment type selected, must be satisfied by the 12th of every month or be subject to a \$45 late fee.
- Online payment via credit card is preferred. Checks payable to "Nutmeg Aquatics" are accepted.
- There will be no prorations nor refunds. If operations are forced to stop due to state COVID-19 statistics, billing will cease at the end of the current month of operation. The registration fee would not apply upon the program resuming if already paid within the September 2020 - August 2021 season.
- While we hope to stick to the advertised schedule, the dynamic situations we are in will likely call for adjustments. The goal will be to have this initial schedule represent a minimum practice time for the groups. As additional space and opportunities present themselves we will make attempts to expand this practice schedule. If at any point we are able to return to a previously known program structure, group assignments will be reassessed and schedules will be updated.
- Meet fees, if any apply, will be billed to your account. These meet fees are not included in your team dues.
