

Oxford Otters Swim Team

Parent/Family Volunteer Form

The Oxford Otters Swim Team is an organization built on the necessity of contributions from all our families, not just a select few. The strength and success of this organization relies on the cooperation of all team members and their families to assist with fundraising, running meets, etc

All families will provide 10 volunteer hours per season. These hours can be split between parents, guardians and/or adult family members and are cumulative. Volunteer hours are per household, not per swimmer. (see Policies form and Regulations forms on our team website for more details)

The following activities count toward meeting your volunteer goals: working at meets, timing at any home, away or USA meet, assisting with fundraising, obtaining sponsors, attending training meetings to become a computer operator, timer, official, etc., and being a member of the board of directors. Please check the areas where you would like to help and return this form to your child's coach.

Name: _____

Email address: _____

Phone #s: _____

Swimmer(s) name & practice level: _____

- Scorekeepers – staff the scoring table during a meet. This includes the scoreboard or computer.
- Checkers – responsible for making sure the swimmer on time sheet is same swimmer on the starting block
- Timers – responsible for timing swimmers in a designated lane for part or all of a meet.
- Runners – collect event cards after each event and bring them to the scoring table
- Deck Marshalls – responsible for allowing only authorized persons on deck during a swim meet.
- Concessions – work at our concessions table during home meets
- Fundraising – work with committee to decide and implement fundraising activities
- Publicity – report meet coverage to local papers and local news websites
- Photo Volunteers – take photos at practices/meets for submission to local papers, team website and year-end banquet

***All families of the Oxford Otters Swim Team must return this page prior to being able to participate in team practices, functions, and meets.**
