HOW DOES SWIM-A-THON HELP THE RIDGEFIELD AQUATIC CLUB?

RAC is a 501c3 nonprofit organization and 12% of our operating budget comes from fundraisers. Having the swim-a-thon allows us to reach out to the business community and others to help support our club, so that not all the monies come from RAC parents. If we did not fundraise, program fees would be raised over 15% (far more than your required fundraising commitment) which would make the costs prohibitive for some to swim.

How far can you go FOR YOUR TEAM?

Each swimmer will have the opportunity to win prizes for every extra meter they go. For example; if a Junior Squad swimmer completes the minimum requirement of 7, 200 meters, but GOES THE DISTANCE, and completes 7,400 meters instead, (that's 200 meters more than required), for every 100 meters above their minimum requirement, the swimmer will "Level Up" (one level per 100 meters) and will have the chance to win prizes.

Additionally, all swimmers may "purchase" extra meters to "Level Up", at \$25 per 100 meters. Based on the previous example, if the swimmer also raises \$200 above their Squad minimum requirement, that's 800 meters more on top of the 7,400 (8,200 meters!). The swimmer will "Level Up to 10" (maximum level with top prizes).

Each Level qualifies for different prizes, including water polo Saturdays, private clinics, Hibashi session with the coaches to a pool party on your birthday! [\(click for more info\)](#)
