On Friday, January 31, 2020, the Ridgefield Aquatic Club (RAC), a 501(c) (3) not-for-profit organization, will conduct its primary fundraising event, the 16th annual **Swim-a-Thon** at Barlow Mountain pool. During the Swim-a-Thon, approximately 200 children and adults will each swim to raise money for our program. In addition, some of the money raised from our Swim-a-Thon will go back to the USA Swimming Foundation to support learn-to-swim programs and to provide financial support to our U.S. National Team athletes and coaches. By donating to our Swim-a-Thon fundraiser, you are not only providing funds to build a stronger team at home, you are helping to give kids across the country the same great experience in the pool.

Please consider sponsoring RAC at any of the levels below and help us to continue this tradition of success.
