Hooks for senior equipment bags were completed and just need to be installed in the closet.

The team holiday party was a success. Due to the noise in the observation area we would like to move the party to the All Purpose room next year. The ham and turkey sandwiches were the most popular but the Italian and roast beef had a lot leftover.

Updates to the record board are on-line. Updates to the board in the pool area will be done annually in March at the end of the short course season. Krista Colby agreed to call Sign-Pro to arrange for the updates.

Credits for families that volunteered for Apple Harvest parking, but are not USA Swimmers were posted as credits for the end of the season banquet.

New Business: Lisa Whitaker

Concession sign-ups for the February home meet were reviewed. Pizza can be served.

The annual pep rally before championship meets will be held at the end of February. Barbara will check the schedule for the All Purpose room and provide dates. Tina Asido agreed to coordinate the ordering of the pasta dinner and sign-ups for other donations.

Parents are asked to submit any recent team photos they have to update the team website. Mary Ellen McPhee will look into more prominent placement of a Swim Outlet link.

Discussed the renewal of our Speedo contract before it expires to hopefully increase our spending limit. Michelle Lamphere agreed to price purchasing a banner outside of the Speedo contract.

The end of the season banquet will be held on March 30th at the Aqua Turf. Tina Asido, Lisa Whitaker and Mary Ellen McPhee agreed to co-chair the event.

Rich Niro will be repairing a few of our touch pads. They will need to dry undisturbed in a warm place.
