Minutes from the March 8, 2006 meeting were approved as written.

NEW BUSINESS

Laurens YMCA requested to be admitted to the league. The request was met with a unanimous vote for them to come back.

ELECTION OF OFFICERS

Johnathan Bass will assume the presidency. Lynn Williams nominated Terry Trammell as vice president, Terri Truesdale seconded the motion. Dena Goeckner agreed to stay on as secretary. Johnathan Bass nominated Terri Truesdale as treasurer, Lynn moved nominations be closed, and Todd Morgan seconded. All were elected by acclamation.

DUAL REPRESENTATION

Dual representation is when a swimmer is on two teams at one time. The Y says you cannot have represented another team in the last 90 days. There are several swimmers entered into the championship that are also registered on a USAS team. They have not competed in the last 90 days with the USAS team. The league was unclear on the YMCA ruling, and the way it was interrupted is as long as those swimmers were members of the USAS team they represented that team. Todd Morgan motioned to let the swimmers swim as exhibition, Lynn Williams seconded the motion as long as those swimmers will not be allowed to score. After discussion the question was called for, it passed all in favor except 1.

Terri Truesdale had previously asked the host team to make an exception and allow a swimmer into the meet as a late entry. League rules do not allow this. Mario Sobrinho motioned that if we allow exhibition swimmers who are USAS registered we should allow Berkeley's swimmers to also swim Lynn Williams seconded the motion. Discussion followed. Pam Lister disagreed strongly, Cherokee also wanted to make changes and they were denied. The question was called for, it passed 10 in favor 2 opposed.

Being no further business, the meeting was adjourned.

Respectfully submitted,

Dena Goeckner

CYSL Secretary
