

EXHIBIT "A"

NACS NATATORIUM RE-OPENING PROCEDURES AND PROTOCOLS

Any and all "NACS" Natatorium patrons/users/employees/staff who are isolated or quarantined because of exposure to or diagnosis of COVID-19 will NOT be permitted to enter the "NACS" Natatorium building. Likewise, those who are sick or recently experienced a fever will not be permitted to enter the building. Before entering the "NACS" Natatorium and based on information from the Allen County Department of Health, visitors must be fever free without the use of fever-reducing medications. Like Tylenol, for at least 72 hours and be symptom free for at least the last seven (7) days. All patrons/users/employees/staff should wear a face covering while inside the building, except when they are swimming.

When re-opening, the "NACS" Natatorium will only be open to current Natatorium members, punch card holders and FORT Swim Team members who will be entering 9th grade and older. This limit will be continually reviewed and possibly revised as seen safe by "NACS" Natatorium Management and direction of ACHD and government entities. ALL patrons/users/staff/employees will be required to complete/sign the "NACS" Natatorium Waiver/Release Form prior to their first use of the pool. There will be no more than (100) people allowed in the building at any time.

To reduce to chances/likelihood of spreading the virus to others, the "NACS" Natatorium will take various steps to reduce the number of surfaces touched by employees/users/patrons, such as propping doors open and limiting access to certain areas of the building. We will also incorporate routine cleaning procedures at least every 90 minutes, consisting of, but not limited to, wiping down/sanitizing counter tops, door handles inside & out, bathroom fixtures, handrails, light switches, telephones.

The "NACS" Natatorium will provide a building patron/user "traffic flow plan" for entering/exiting building and pattern once in the building (see below).

- All "NACS" Natatorium patrons/users/staff will enter the building through Door #1.
- Once inside the Door #1, all will be required to sanitize hands using provided sanitizers/wipes stationed on a table inside Door #1.
- All users/patrons will follow the signage directing them to enter the pool space via the middle doors off the lobby area (one door will be propped open). The Locker Rooms will NOT be accessible from the Lobby.
- All users/patrons must come to the pool already dressed/changed to swim. There will be NO locker room changing. Please have your swim attire on under clothing.
- Locker Rooms will be open/accessible from the pool deck and ONLY used for restroom needs. Staff/Coaches will monitor locker room/restroom use and limit to only two (2 people in locker room at one time and you must maintain social distancing.
- Everyone in the building should maintain at least a 6' social distancing between them and anyone else that is not an immediate family member.
- There shall be NO sharing of equipment, water bottles, etc.

- Once your swimming time is complete: must put clothes/towel on over swim attire and then exit the pool building
- ALL MUST exit the "NACS" Natatorium using Door #2 and will be required to sanitize their hands using the provided sanitizers/wipes stationed inside Door #2. All should proceed immediately to their vehicle.
- Drop Off/Pickup at pool: All drop offs and pickups must take place within 5 minutes of scheduled start time.

If it is learned or determined that a user/patron/employee is sick with or been exposed to the COVID-19 virus, that individual will be directed to obey the latest ACHD directions prior to being allowed to return to the "NACS" Natatorium. All of these procedures will be continually reviewed and possibly revised/changed as needed per ACHD directives.
