## MEET CONDUCT

### RULES

The meet will be conducted in accordance with USA Swimming and Indiana Swimming rules and regulations.

### PRE-SCRATCH TIMELINES

Pre-scratch timelines for prelim sessions will be available and shall be posted on Indiana Swimming website, on the Wednesday prior to the meet. Timelines posted are only approximations to be used only for general planning purposes. The actual meet session timelines may vary from what is posted. Athletes and coaches are responsible to adhere to all meet deadlines and competition/event starting times.

### PRE-SCRATCH TIMED FINALS PRELIMS PSYCH SHEET

A pre-scratch prelims Psych Sheet for timed final and relay events. This shall be posted on Indiana Swimming website, on the Wednesday prior to the meet. This is to be used for planning purposes, as scratches will alter the final seeding. **Note that 800 Freestyle distance swimmers may check-in and elect to swim during the prelim session. The top 10 submitted in 800 Freestyle not designated as a prelim swim will swim in finals. All relays will be swum in prelims.**

### COACH SCRATCH BOX RESPONSIBILITY

All scratches for individual and relay events, regardless of reason, must be made at the Scratch Table by:

Thursday Events	one hour prior to start of Thursday session
Friday Events	30 minutes after start of Finals session Thursday
Saturday Events	30 minutes after start of Finals session Friday
Sunday Events	30 minutes after start of Finals session Saturday

The money for scratched events is NOT refundable.

### OVER ENTRIES

Failure to scratch by appropriate deadlines will result in swimmer being entered in consecutive events, beginning with the first until the maximum has been attained and scratched from all remaining events.

### SEEDING OF INDIVIDUAL EVENTS

Seeding order: Long Course Meters - Short Course Meters- Short Course Yards (L-S-Y). No entry times will or should be converted for seeding.

In individual events other than the 800 and 1500 Freestyles, the swimmer is assumed to be swimming unless he/she has been scratched.

Per USA Swimming rule 207.11.7, **entrants in the 800 and 1500 Freestyle must check in with the Clerk of Course and confirm their intention to compete** before the scratch deadline for the event in order to be seeded. **During check-in for the 800 Freestyle distance event, entrants may designate a preference to swim the event during prelims by marking a P next to their name.**

Individuals failing to check-in may present themselves to the Meet Referee or his/her designee requesting to swim, and may be placed only as there are existing open lanes in the slowest heat per gender. After the Psych Sheet is published to the ISI website on Wednesday prior to the start of the meet, any swimmer entering as a late entry shall not be seeded in the top eight of the entered event. The swimmer will be seeded by their entry time, but no higher than 11th place.

A copy of the seeded heat sheet after scratches shall be posted before warm-ups for Friday, Saturday and Sunday prelims.

### SCRATCH PROCEDURES – INDIVIDUAL EVENTS

**National scratch procedures, USA Swimming rule 207.11.6, will be observed.** Additions and modifications are noted below.

### Preliminary Heats and Timed Final Events

In all events where preliminary heats are necessary, **or in any timed final event**, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which they are entered and have not been scratched in accordance to the above deadline **will be barred from all further individual events of that day.** (NOTE: This does not bar an individual who has qualified earlier in the session for a Consolation or Final from swimming in that Final.) The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events.

Additionally, that swimmer shall be scratched from any individual events on succeeding days unless that swimmer or the swimmer's coach declares the swimmer's intent to swim prior to the close of the scratch box for that day's events, or within 30 minutes of the missed event.

### Scratching from C, B or A Finals

- SUNDAY ONLY: No-shows or not scratching according to the rules by the appropriate deadlines (Exceptions for failure to compete - B), for C, B, or A final will result in a \$50 fine per swimmer regardless of the number of events missed that finals session. The fine shall be assessed to the swimmer. Host team will forward violations to the ISI office. ISI office will notify violators and collect fines. ISI office will send \$25 per fine collected back to host team.
- A. Any swimmer qualifying for the original C, B or A Final in an individual event, who fails to compete in said final, shall be barred from further competition for the remainder of the meet except as noted in "Exceptions" below. A declared false start (USA-S rule 101.1.3E) or deliberate delay of meet (USA-S rule 101.1.5) is NOT permitted and will be regarded as a failure to compete.
- B. Original Qualifiers in the B Final are designated as the "next" ten (10) 18 & under athletes after the last person originally qualified for the B Final. Original Qualifiers in the C Final are designated as the "next" ten (10) 15 and/or 16 year olds after the last person originally qualified in the B Final. The top qualifier for the C Final may elect to serve as an alternate for the B Final rather than be seeded in the C Final by notifying the Administrative Referee within the 30 minute scratch deadline for that event.
- C. In the event of withdrawal or barring of a swimmer from competition, the Referee shall fill the C, B or A Final when possible with the next qualified swimmer(s). Any potential alternate for finals must report to the Deck Referee or Starter prior to the applicable event. There will be no announcements made to fill the heat.
- D. First and second alternates shall be announced for the C and B Finals along with the final qualifiers. These alternates shall not be penalized if unavailable to compete in the finals.
- E. Where C or B Finals have not yet been swum and a barring or withdrawal is known to the Referee, the Referee shall re-seed the C, B or A Final if necessary, to insert the alternate(s) in appropriate lane(s), filling all lanes in the final.
- F. If the C and B Finals have already been contested, the A Finals shall be swum without re-seeding for the empty lane(s).

**Exceptions for Failure to Compete**

No penalty shall apply for failure to withdraw or compete in an individual event if:

- A. The Referee is notified in the event of illness or injury and accepts the proof thereof.
- B. A swimmer qualifying for a C, B or A Final race following the preliminaries notifies the Administrative Referee within thirty (30) minutes after announcement of the qualifiers for that final race that he may not intend to compete and further declares his final intentions within 30 minutes following his last individual preliminary event.
- C. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
