

Crawfordsville Aquatic Center COVID Safety Guidelines

As of July 9, 2021, the Indiana Department of Health has not mandated masks for schools for 2021-2022.

Under this current guidance, Crawfordsville Community School Corporation will not require masks for our students, staff, visitors, or patrons in our classrooms, schools, or at after-school events.

Masks will be optional for those who are not vaccinated or those who wish to wear them.

CAC and SCSC will take the following precautions during the weekend:

- Separate Entrance and Exits when there are two groups scheduled back-to-back.
- 110 deck capacity for athletes, an additional 60 capacity for volunteers, coaches, and officials.
- 1 Spectator will be allowed per athlete.
- Frequent Sanitation per ISDH guidelines will be followed.
- USA Swimming lane recommendations will be observed.
- Covid Waivers will be requested from everyone who enters CAC. The athlete, coach, official and volunteer waiver can be found on the host website. <https://pact.ly/wwigus>
- Omnify software will be utilized for spectator waivers and purchasing tickets in advance of the meet. <https://crawfordsvilleaquaticcenter1.getomnify.com/#!/home>
