

Munster Swim Club - IN

Assistant Age Group Coach Needed

Position:

Munster Swim Club has an immediate opening for an Assistant Age Group Coach. Candidates for this position need to be focused, energetic and a positive influence for the athletes they coach as well as being able to work in a faster paced environment with other coaches along with a board of directors.

Munster Swim Club is a 2021 USA Swimming Bronze Medal Club that made its name over 50 years ago. As an age group club, we are a consistent Top-10 finisher at the Age Group State Championships as well as strive to build on a progression of techniques focused on the longevity of the sport. We have ~140 athletes in our age group program and look forward to growing more this fall/winter. As a staff, we strive to have our athletes succeed in the pool during each workout by design, as well as at designated team competitions. We focus on the improvement of technique and self-esteem before overall in-water success and feel that overall success comes from having the right attitude and sportsmanship in and out of the water. More information on our club can be found at www.munsterseahorses.org.

Responsibilities:

Practices Monday through Friday as needed 5:15pm-7:45pm plus Saturday when scheduled as well meets, including club hosted meets and possible away competitions. Coach may have additional duties assigned by the head coach.

Qualifications:

Previous competitive coaching/swimming experience required. If not already certified, candidates must acquire all certifications and screenings required by USASwimming to become a coach member in good standing, including a background screening.

Compensation:

Competitive and commensurate with previous experience. Munster Swim Club believes in professional development providing compensation for clinics and other educational opportunities.

Application Deadline:

This position will be filled immediately with a September 13th, 2021 start date.
