

INDIANA SWIMMING  
2015 LONG COURSE AGE GROUP STATE CHAMPIONSHIPS 07/24/15 – 7/26/2015  
IMPORTANT PARKING INFORMATION

---

Please share this information with athletes and parents to avoid per entry/exit parking fees in the campus garages and to be able to park upon arrival.

**There will be no cash accepted for parking at this meet.**

The following two options are available for participants (coaches, athletes, officials, parents, and fans) to access parking for this meet:

1. Pre-purchase a three-day permit for \$20.00 from the meet host, Carmel Swim Club.

The host team has access to a limited number of three-day permits that will allow unlimited entry and exit for all days of the meet (Friday – Sunday) in the Natatorium Sports Garage (floors 2 and above). The permits are available to coaches and other club members including parents, officials, and athletes with coaches receiving priority.

Coaches/administrators of participating teams may pre-order these three-day parking permits for their athletes, parents, officials for \$20 each; it is requested that you send only **one order per team**. Passes must be pre-ordered by June 30<sup>th</sup>. An Order form has been included with this communication and are available on the host club's website, [www.carmelwimclub.org](http://www.carmelwimclub.org)

Permits must be displayed on the rear view mirror of the vehicle while parked in the garage.

Please note: There will be no permits for sale on site during the event.

2. Pay \$6.00 for each entry using only a credit/debit card for payment (no cash).

If you choose this option, credit/debit card readers will be activated in the Natatorium Sports Garage Center Section on Friday – Sunday. (Credit/debit cards should not be removed from the card readers until the machine indicates removal which typically takes about two seconds).

There are no in-and-out privileges when using this payment option. i.e. If you attend prelims and finals on a given day, you will pay \$6 (credit/debit card only) upon each entry or a total of \$12 for that day.

Please remind your parents and athletes that all parking without the three-day permit is by credit/debit card only; there will be no cash transactions for parking for this event.
