Welcome to Meet Mobile Setup

Select content option and customer price:

Full Meet Data (recommended)

Meet Mobile customers will have full access to all meet information including psych sheets, heat sheets, and results.

Free Heat Sheets

If Full Meet Data is selected, you must 1) either click the Active.com Setup button to create an account for revenue sharing or 2) select Free Heat Sheets. Otherwise, if Full Meet Data is selected, the meet program price will be \$1.99 with no revenue sharing.

Active.com Set-up

Restrict Heat Sheet Data

Meet Mobile customers will have access to all meet information except heat sheets.

Terms of use:

I have NOT agreed to the Meet Mobile Contract.

Learn About Meet Mobile

Please select your Meet Mobile settings. This will let us know whether you want heat sheets or not to be shown in the Meet Mobile application available through both the Apple app store and Google Play.

How does my meet data get published ?

Once you have set up your meet for Meet Mobile, you will be given control of when to make meet data available.

How does revenue sharing work ?

Revenue sharing is only available for Active.com U.S. addresses. Click the Active.com Set-up button on the left to set up the revenue sharing account. Heat Sheet prices of \$1.99 or more qualify for revenue sharing.

Terms of Use

The Terms of Use is required before any meet data can be published to Meet Mobile. Click 'View Contract to Agree' and you will be able to view the contract. On the contract page, enter your name and birth date, then click Agree.

- Select which option your team is using for the meet (Full Meet Data or Restricted Heat Sheet Data).
- Specify Free Heat Sheets if you're utilizing Meet Mobile's option to publish the Heat Sheets for FREE to all users. Click [View Contract to Agree] button

Active Network Terms of Service Agreement

Your use of TAN's software and services relating to Meet Mobile (the "Product") is subject to the terms set forth below (the "Terms") and is between you and TAN. "TAN" means The Active Network, Inc. with a principal place of business is at 10182 Telesis Court, San Diego, CA 92121. In order to use the Product, you must first agree to these Terms. You represent and warrant that you have the necessary and full right, power, authority, and capability to accept these Terms, to bind your organization, and to perform your obligations hereunder. You can accept the Terms by clicking to accept or agree to the Terms, where this option is made available to you by TAN in the user interface for the Product. You may not use the Product and may not accept the Terms if (a) you are not of legal age to form a binding contract with TAN, or (b) you are a person barred from receiving the Product under the laws of the United States or other countries including the country in which you are resident or from which you use the Product. You may not use the Product if you do not accept the Terms. By accepting the Terms, you agree as follows:

1. Pricing. TAN will provide you access to the Product which you may use to deliver content and data to end users. The features, services, options, and fees of the Product may be described more fully in an applicable schedule, online rate card, shopping cart and/or checkout page, pricing form, order form, or similar document or web page, referencing these Terms (each, a "Schedule"). Each Schedule will be governed by these Terms and incorporated herein by reference. You further acknowledge and agree that users of the Product may be required to purchase access to content and data delivered by you through the Product in accordance with the applicable Schedule. You agree that you have the right to receive revenue sharing from such purchases in accordance with the applicable Schedule.

2. Content and Data. By submitting, delivering and/or uploading content and data through the Product, you agree you have the right to edit, copy, publish, distribute and otherwise use the content and data made available by you. You further agree that you will have dedicated resources and capability to use the Product for its intended purposes and that you will use commercially reasonable efforts to publish applicable content and data to end users as quickly as reasonably practicable. Content and data includes but is not limited to the following: Meet Structure, Psych Sheets, Heat and Lane Assignments, event and swimmer results and team scoring.
