

Meet Manager Scoring and Awards Settings

Time Standards Meet

Type of Meet : Home Screen → Setup → Meet Setup → Type of Meet → Select Time Standards

Flag over-achievers with a “+”:

- Home Screen → Setup → Report Preferences → Report Formats Tab → Flag Over-achievers with a “+”
- Time Standards need to be included in report.

Separate results by division (A,B, etc....):

- Home Screen → Setup → Entry/Scoring Preferences → Scoring/Awards Tab → check Different point system for each Division

Configure how many awards per division (ex. 6 places or 8 places? 3 places for relays?):

- Home Screen → Setup → Entry/Scoring Preferences → Scoring/Awards Tab → Enter appropriate # under Individual and Relay for “Top how many award labels”.

Points awarded by seed time:

- Home Screen → Setup → Entry/Scoring Preferences → Time Stds Meet Tab → select:
 - Points awarded based on Seed Time
 - Points and awards given to Over achievers
 - Points and awards given to Under achievers

Identify how seed times are to be grouped for awards and scoring:

- Home Screen → Events → Standards
 - Create time standard tag with no times. To be used for slower than B seeds.
 - At the bottom of the screen create a new tag → name = CRST → leave “For Time Standards” unchecked.
 - In the scoring column check the standards that should be grouped.
 - A/B/C Open = A,B, CRST checked
 - A/B Open = A, B checked
 - Note: Standard Meet = all standards are unchecked

Meet Manager Scoring and Awards Settings

Time Standards Meet

Defining points for scoring the meet:

- Home Screen → Setup → Scoring setup → Standard
 - Select the time standard at the bottom of the page.
 - Click “default” to reset the points to default
 - Enter number of places to score.
 - Enter 1 if the meet is not scored. In the scoring system window set 2 and 4 to 0.
 - Click Ok.
 - Repeat for each time standard

List and Score Preferences from Run Screen

- Run Screen → Preferences → Results for List and Score
 - Single Column
 - Splits – None or Subtracted
 - Include in Results
 - Time Standards
 - Entry Times
 - No Shows
 - Time Stamp = Date and Time
- List function – will not show points
- Score function – will show points (unless points are all set to 0)

Awards Settings:

- Run screen → Awards
- Select Session → Event (s)
 - Award type = Standard Award Label
 - Prints an award label for the top “x” finishers in each event as defined in Entry/Scoring Preferences
 - Select Label Type. Except for A4 all are for 1 inch Avery labels on 8.5 x 11 paper.
 - Sort by Event Number
