Meet schedule is tentative and subject to change.

Coaches will select events. Please refer to our website and team communications for updates and additional information. Meet information will be posted as it becomes available.

- Swimmers must be registered by the deadline listed on the meet page. ([How to Register Via Team Unify](#): After signing in to Team Unify (TU) and selecting the swim meet you will attend from the homepage, please refer to #'s 3 - 6; 8 & 9.)
- Late entries/changes may not be accepted. It is understood that swimmers are available to swim all days/sessions for which they are eligible/qualified, unless otherwise posted in the 'notes' box.
- Once approved, Final Entries will be posted to the meet page after the registration deadline. Please REVIEW final entries for you swimmer and contact you child's primary coach with questions.
- Each training group has recommended meets specific to the objectives of that group. Please refer to the 'Recommended for:' section of the meet page to confirm the meet is available to your swimmer's training group. When in doubt, please refer to your group page or contact your primary coach.
- Championship meets require qualifying time standards. Eligibility reports will be posted once available. Please refer to the meet information as meet format, order of events, etc. are determined by the meet host and may vary from meet to meet. Swim meets hosted by WSC will need volunteers! Please register via the Job Sign-up page or review our [Fair Share Policy](#) for additional information.
