INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors of
Ohio Swimming, Inc.
Oxford, Ohio

We have reviewed the accompanying financial statement of Ohio Swimming, Inc. (a nonprofit organization) which includes the statements of revenues, disbursements, and changes in net assets - modified cash basis and the related notes to the financial statement for the years ended August 31, 2018 and 2017. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statement as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the modified cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountants' Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statement in order for it to be in accordance with the modified cash basis of accounting, as described in Note B.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to that matter.

Notes to Financial Statements
August 31, 2018 and 2017

NOTE A - GENERAL INFORMATION

Ohio Swimming, Inc. (the Organization) is a not-for-profit organization formed for the education, instruction, and training of all individuals. Its purpose is to develop and improve individual capabilities in the sport of swimming for swimmers of all ages and abilities in accordance with the standards and the rules prescribed by the Federation Internationale de Natation Amateur, USA Swimming, and Ohio Swimming, Inc. It services primarily Northern Kentucky and Ohio.

The Organization receives its revenue primarily from membership dues charged to its members as well as monies received from participation fees charged at various swim meets.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Organization have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Such basis differs from the accrual basis of accounting in that it provides for the recognition of revenues and other receipts when received rather than when earned and the recognition of expenses and other outlays when disbursed rather than when incurred. Modifications to the cash basis of accounting result from management's decision to record investments as assets in these financial statements instead of cash expenditures. In addition, cash received by the Organization for membership dues that are payable to USA Swimming are treated as an agency transaction, and this activity does not flow through the statements of revenues, disbursements, and changes in net assets – modified cash basis.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all short-term investments with original maturities of three months or less to be cash equivalents.

Cash balance of (\$1,425) at August 31, 2018 represents outstanding checks in excess of the bank balance of \$28,850 (2017 cash balance of (\$33,869) represents outstanding checks in excess of the bank balance of \$9,870).

Investments

Investments are reported at cost basis, and are comprised of mutual funds and common stock. Interest, dividends and capital gain distributions are reported on the statements of revenues, disbursements, and changes in net assets – modified cash basis. Unrealized gains and losses are not included in the financial statements. The fair market value of the investments is \$391,743 at August 31, 2018 (August 31, 2017 - \$412,981). If the investments were reported at fair value, the investment balance at August 31, 2018 would increase by \$33,760 (2017 – increase by \$23,647).

Income Taxes

The Organization is exempt from federal income tax under the provisions of Internal Revenue Code Section 501(c)(3) and does not currently conduct any activities that would result in the imposition of the unrelated business income tax. The Internal Revenue Service has determined that the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Uncertain Tax Positions

Accounting standards require management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would fail to be sustained upon examination by the Internal Revenue Service. As discussed above, the Organization is exempt from federal income taxes and management believes the Organization has not engaged in any activities that would disqualify it from tax-exempt status or incur a tax obligation for the years ended August 31, 2018 and 2017. The Organization believes their estimates are appropriate based on current facts and circumstances. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to income tax examinations for years ended prior to August 31, 2014. The Organization's policy with regard to interest and penalty, if incurred, is to recognize interest through interest expense and penalties through miscellaneous expenses.

Net Assets

The Organization is required to report net assets according to three classes: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets are not subject to donor-imposed stipulations and are available for general operations of the organization.

Contributions of cash are temporarily restricted support if they are received with donor stipulations that limit the use of the donated asset to a specific time period or purpose. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the contribution is received.

All other donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction.

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of revenues, disbursements, and changes in net assets – modified cash basis as net assets released from restrictions.

Permanently restricted net assets would result from donor-imposed restrictions that limit the use of net assets in perpetuity.

At August 31, 2018, unrestricted net assets were \$356,558 (August 31, 2017 - \$355,465). The Board has designated \$28,000 for 2020 Olympic funds at August 31, 2018 and 2017. There were no temporarily or permanently restricted net assets as of August 31, 2018 and 2017.

The Organization has determined that there were no subsequent events that would require disclosure or adjustment to the accompanying financial statements.

NOTE C - INVESTMENTS

The cost basis of investments as of August 31, 2018 and 2017 are as follows:

	2018	2017

The interest rate on any borrowing is 6.25% (August 31, 2017 - 5.50%). At August 31, 2018 and 2017, there were no amounts drawn on this loan account.

The Organization collects membership dues from individuals and families who wish to become members of Ohio Swimming and its national affiliate USA Swimming. Ohio Swimming paid \$451,168 to USA Swimming for USA Swimming's portion of membership revenue collected for the year ended August 31, 2018 (August 31, 2017 - \$453,999). These amounts are treated as agency transactions and, therefore, are not included in cash receipts or cash disbursements on the statement of revenues, disbursements, and changes in net assets – modified cash basis. There are no amounts owing to USA Swimming at August 31, 2018 or 2017.

The Organization reimburses a company that is partially owned by the assistant treasurer for various expenses paid on the Organization's behalf. The total amount paid to this company for the year ended August 31, 2018 was \$51,799 (2017 - \$91,391).
