 - 11 & Over: Minimum National BB Time in the 400/500 Free
 - 10&Under: Minimum 10&Under "BB" Time in 200 Free
- Eligible Time achieved since Jan 1, 2021
- Non Ohio LSC Athletes are also welcome to participate, but will not be eligible for Ohio Awards or Scoring.

Entry Deadline – Wednesday, June 15, 2022

Make this year an Open Water Year for your Athletes!

Chip Carrigan
Open Water Coordinator

The 2023 Open Water Championship

Entry Instructions

When you enter the 2023 Ohio Open Water Championship, you will note the Meet Events are listed as 200 Freestyle (10 & Under) and 500 Freestyle (11 & Over). This is done to match the Qualifying Events and Time Standards listed in the Meet Information Book, as well as your Times Database in Team Unify and Team Manager. We tried using the 1K, 2K, 3K, and 4K distances, but you end up with errors for “time out of range for event/distance”. This process simplifies your entries into the meet. Remember, you can enter your Athletes using Short Course Yards, Long Course Meters, and Short Course Meters.

Following receipt of all Meet Entries, we will change the events over to the correct distance, and will publish the Psych Sheet on the website, as well as Meet Mobile.
