

MEMBERSHIP REQUIREMENT CHECKLIST FOR NON-ATHLETE MEMBERS

Non-athlete Members should register through the Ohio Swimming website (www.swimohio.com). The Non-Athlete Registration button is located to the right of the starting block photo. Make sure you are not logged into the Ohio Swimming website or any other Team Unify website before you begin the process.

At the beginning of the registration process, indicate that you are “not sure you have an account”, and follow the prompts to fill in the fields applicable to registration (do not fill in emergency information or medical information). Since the screens have nomenclature related to athletes, just enter the relevant information for non-athlete membership (your name, your mailing address under the billing section, birthdate, membership type).

Payment can be made by Credit Card or Check. If your team pays for your membership, select the ‘other’ payment option and forward your emailed invoice to your team administrator for payment (check with your team administrator for their reimbursement procedures). Checks can be mailed to the address on the emailed invoice.

Registrations will not be processed until payment has been made.
