All finalists of the “B” and “A” heats will be asked to check in with the ready room at least 2 events before their race. “A” finalists will be paraded out to music and have their names announced while the music plays prior to their stepping up on the blocks. The “B” heat will be swum prior to the “A” final. The “B” (consolation) finalist will have their names announced during their event. Any swimmer who does not show up to the ready room in a timely fashion will be called for once over the loud speakers. If they do not show up immediately, the alternate will swim. Alternates will not be penalized for failure to show up for a finals event.

General Conduct

Seeding and Swimmer Check-in:

All Prelim/Final events (except for the 400 Free, 400 IM, and 800 Free which will be positive check in events) and 10 and under events will be pre-seeded. All relay events are timed final events and coaches must turn in relay cards by the announced deadlines. Turned in relay cards will be considered a positive check in. Any relays not turned in by the deadline will be scratched from the event.

The 800 free is a combined age group, timed final, deck seeded event. It will be seeded fastest to slowest alternating girl's and boy's heats. Swimmers must positively check-in for the 800 free by 10:00 a.m. on the day they are scheduled to swim the event. Any scratch after positively checking in for the 800 free will result in a \$50 fine payable to Ozark Swimming. Swimmers must provide their own timers (2) and lap-counter. For finals, swimmers only need to provide their own lap-counter. The 800 Free will be scored as 13-14 and 15 & Over.

Warm-up Procedures:

Warm-up procedures will be defined by the Ozark LSC safety regulations. A swimmer attending a meet without a USA-S certified coach must report to the meet referee or meet director prior to warming up for each session in which he is swimming. The swimmer will then be assigned to a coach on deck for each session of the meet that he has entered. The

referee or his designee shall instruct the swimmers in the safety rules and assign them to a lane.

Lanes will be assigned.

Scratches:

- Any swimmers NOT reporting for, or competing in, a preliminary heat or individual timed final event (except the 800 Free, 400 Free, and 400 IM after positive check in) shall not be penalized.
- Any swimmer who qualifies for a consolation or championship final in an individual event who then fails to show up for said consolation or championship final event shall be ejected from the remainder of the meet.

There will be no penalty for failure to compete in finals if:

- The referee is notified in the event of illness or injury and accepts proof thereof.
- A swimmer qualifying for a consolation or championship finals swim notifies the referee within thirty (30) minutes after the announcement of the finalist for that event that he/she may not intend to compete and further declares his/her intention within thirty (30) minutes following his last individual preliminary event. This is called a “declaring an intent to scratch”.
- The swimmer “scratches” his or her finals swim within thirty (30) minutes following the announcement of the finalist for that event. The swimmer or coach of that swimmer must report to the announcer in order to “scratch” an event.
- It is determined by the meet referee that failure to compete was caused by circumstances beyond the control of the swimmer.

Entry Procedures

Eligibility:

All swimmers must be athlete members of USA Swimming as provided in Article 302 of the USA Swimming Rule Book. ‘Applied for’ will not be accepted. On deck registration is not available. Swimmers entered in the meet who do not hold current membership will be dropped from the meet, and entry fees will NOT be refunded. **If a swimmer swims and is not registered, a \$100.00 fine per athlete will be imposed. All swimmers must be a member of Ozark Swimming for this LSC championship. Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer’s legal guardian to ensure compliance with this request.**

Entry Limit:

Individual Events: Swimmers may enter a maximum of 7 individual events for the entire meet and can enter no more than 3 individual events per day. Any swimmer who enters more than the prescribed number of events will be scratched down to the event limit starting with the highest event number on that day the over-entry occurs.

Relay Events: Each team will be permitted to enter two (2) scoring relays for each relay event. Teams may enter exhibition relays. All exhibition relays are to be entered at “NT”. You may enter “Relay Only” swimmers in the meet to swim on the relays, even if they do not have

individual events, but those swimmers names must be included with your team's entries and must pay the posted surcharge for entering the meet.

Qualifying Times:

Swimmers must have achieved the BB time standard in each event for which they are entered. Qualifying Period:

The qualifying swims must have occurred between July 21st, 2016 and the entry deadline date of July 19th , 2017

Proof of Times:

The host club will confirm all entry times with the USA Swimming SWIMS database prior to the meet. Entry times must be validated by SWIMS to meet the standard of proof. Any entry time that is not found in SWIMS will be flagged and a report will be emailed to all entry contacts with flagged times prior to the meet. If a swimmer on the report chooses to compete and fails to achieve the BB time standard in a flagged event at the meet, a \$50 fine will be assessed and the swimmer will be ejected from the remainder of the meet.
