MEET DESCRIPTION

Rules

- All technical and administrative rules of USA Swimming will apply.
- All coaches must hold a valid USA Swimming Coach's Card and all officials must have their current USA Swimming and certification cards displayed while on the pool deck.
- A swimmer attending a meet without a USA-S certified coach must report to the meet referee or meet director prior to warming up for each session in which the swimmer is participating. The swimmer will then be assigned to a coach on deck for each session of the meet the swimmer has entered.
- Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, restrooms, or locker rooms.
- Changing into or out of swimsuits other than in the locker rooms or other designated areas is prohibited

- “Operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present.”

Eligibility

- All swimmers must be athlete members of USA Swimming. ‘Applied for’ memberships will not be accepted.
- Swimmers entered in the meet who do not hold current membership will be dropped from the meet and an Ozark fine of \$100 will be assessed (entry fees will not be refunded in this case).
- Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer’s legal guardian to ensure compliance with this request.
- Swimmer’s age on **Friday, April 6, 2018** determines age for the meet.

Format

- All events are timed finals.
- The meet is pre-seeded except for the “Limited Events” described below.
- The Meet Referee and Meet Director may insert additional breaks between events or utilize more lanes (e.g.10 lanes for distance events) in order to maintain an appropriate timeline for the athletes.

Limited Events

- All events 400 meters and longer ("Limited Events") will require positive check-in and may be limited in order to keep the meet timeline reasonable.
- If a limit is imposed, notification of swimmers not making the cut in these events will be posted on the meet website on or before **Tuesday, April 3, 2018**. Alternative events will be allowed if entries are provided to the entry coordinator no later than 30 minutes prior to the start of the first session of the meet and if open lanes are available in pre-seeded events.
- Entries with no time for Limited Events will be accepted on a first-come, first-serve basis until the maximum (if any) is reached.
- Refunds may be requested and paid to the team in one lump sum. The request must be made within one week of the meet’s end.
- Proof of time may be required and must be provided by the coach if the swimmer’s time is in question for the Limited Events. The SWIMS database will be used to verify entry times.
- Coaches must check in their swimmers within 30 minutes prior to the start of each session.
- Swimmers not checked off will be scratched from that session.
- Swimmers who fail to swim a Limited Event after checking in will not be allowed to swim their next event.
- The **400 I.M.**, **800 Freestyle** and **1500 Freestyle** events will be swum fastest to slowest in alternating heats of women and men.
- Swimmers in the **800 Freestyle** and **1500 Freestyle** events must provide one (1) timer and one (1) counter.
- The **400 Freestyle** event will be swum slow to fast without alternating girls and boys heats.
