- Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, restrooms, or locker rooms.
- Changing into or out of swimsuits other than in the locker rooms or other designated areas is prohibited

Eligibility

- All swimmers must be athlete members of USA Swimming. 'Applied for' memberships will not be accepted.
- Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. - All events are timed finals and the meet will be pre-seeded.
- All events will be run using 10 lanes. RCA has the sole discretion to switch to 8 or 6 lanes for any event should it be necessary to manage timelines properly.
- RCA has the sole discretion to add breaks between events to manage timelines appropriately.

Relays

- Relay entries should include full first and last names of each relay participant when submitted with the entry file. Any relay personnel changes should be turned into the computer desk at least 20 minutes prior to the start of each session.
