Eligibility: All swimmers must be **currently** registered athlete members of USA Swimming. USA Swimming membership applied for will **not** be accepted. Swimmers entered in the meet who do not hold a current membership will be dropped from the meet, and the entry fees will not be refunded. If a swimmer swims and is not registered, a \$100 fine will be imposed. Swimmer's age on February 28, 2020 determines their age group for the meet.

Qualifying Period: Qualifying swims must have occurred between February 22, 2019 and the entry deadline of February 19, 2020.

Qualifying Times: Swimmers must have achieved the USA Swimming BB time standard in each event for which they are entered. Swimmers who only have the long course meter or short course meter cut for an individual event must enter at the long course meter or short course meter time achieved. Those swimmers who achieved BB times in either the 1000/800 Free or the 1650/1500 Free may enter the 1000 Free event. If entering with a cut other than the 1000 Free time, enter at the time and in the course the time was achieved. The meet will be seeded in the following order: a) SCY, b) LCM, and c) SCM. The meet will be seeded in accordance with USA Swimming rules (refer to rule 207.11.7).

Format: This is a Preliminaries/Finals Championship meet. The events will include “A” (Championship) and “B” (Consolation) final heats for the top 16 swimmers from the morning preliminaries. **All Friday evening events, all relay events, and the 1000 Free on Saturday will be swum as Timed Finals.** After all entries have been received, pool assignment for each age/gender group will be determined to optimize the meet timeline. Coaches will be notified prior to the meet, and the host will post the assignments on their website. All Consolation & Championship finals will be swum in the South Pool.

All events except the 1000 Free will be pre-seeded. Swimmers must positively check in for the 1000 Free before 9:00 am on Saturday. Coaches must turn in their relay cards each day by the announced deadline. The 1000 Free will be seeded fastest to slowest, and alternate heats of girls and boys. The host team reserves the right to hold the 1000 Free in either the South Pool or both the North and South Pool, depending on the timeline. After all entries have been received, coaches will be notified as to the format to be used in swimming the 1000 Free. Swimmers in the 1000 Free must provide a timer and a lap counter.

Swimmers must provide their own lap counter for the 500 Free.

During Finals, the “B” (Consolation) heat will be swum prior to the “A” (Championship) heat. All “B” finalists and alternates are to report immediately to the southeast corner of the pool deck (across from the Starter) when the “A” heat of the event prior to theirs is paraded to the blocks. The “B” finalists will have their names announced during their event.

There will be a “Ready Room” and parade of the “A” Finalists of each event. All “A” finalists will be asked to report immediately to the “Ready Room” (located in the southeast corner of the pool deck, across from the Starter) during the announcement of the “A” final of the event prior to their event. “A” finalists will be paraded out to music and have their names announced prior to their stepping up on the blocks.

Scratches: Any swimmer not reporting for, or competing in, a preliminary or timed final event shall not be penalized.

Any swimmer who qualifies for a Consolation or Championship final and then fails to report for the final event shall be ejected from their next individual event of the meet. **There will be no penalty for failure to compete in Finals if:**

- A. The meet referee is notified in the event of illness or injury and accepts proof thereof
- B. A swimmer notifies the meet referee within thirty minutes after the announcement of the finalists for an event that they may not intend to compete and further declare their final intention within thirty minutes following their last individual preliminary event of the session. This is called “declaring an intent to scratch.”
- C. The swimmer “scratches” their name within thirty minutes following the announcement of finalists for that event. The swimmer or coach must report to the announcer’s table in order to “scratch” an event.
- D. It is determined by the meet referee that failure to compete was caused by circumstances beyond the control of the swimmer.

Proof of Times: The Administrative Officials will confirm all entry times with the USA Swimming SWIMS database prior to the meet. Any entry time that is not found in SWIMS will be flagged and a report will be e-mailed to team contacts prior to the meet. If a club cannot resolve the missing time in SWIMS, the discrepant entry will be adjusted to the time listed in SWIMS (if it qualifies) or will be scratched (if no qualifying time exists). Either short course or long course qualifying times that meet the USA Swimming BB standard for that event may be accepted as proof and used as entry times.

Scoring: Scoring will be to 16 places as follows:
Individual Events = 20, 17, 16, 15, 14, 13, 12, 11, 9, 7, 6, 5, 4, 3, 2, 1
