The 13-14, and 15 & over events will include an “A” (championship) final and a “B” (consolation) final for the Top 16 swimmers from the morning’s preliminary heats in all events except the 400 IM, 500 free, and the 1650 free. The 400 IM, 500 free, 1650 free, and all relays will be timed finals. The 400 IM will be swum as a timed final for each age group and requires a positive check in by 9:00 a.m. Friday morning. The top 8 from each age group and gender from checked in seeded swimmers will swim during the Friday night finals. The 500 free will be swum as a timed final for each age group and gender and requires a positive check in by 9:00 a.m. Saturday morning for the 13 & over boy swimmers; a positive check in for 11-12 year old girls and boys by 2:00 p.m. Saturday afternoon; and 9:00 a.m. Sunday morning for the 13 & over girl swimmers. The top 8 from each age group and gender from checked in seeded swimmers will swim during the Saturday night finals. The 1650 free will be swum as a timed final for all age groups and requires a positive check in by 9:00 a.m. Saturday morning for girls and Sunday morning for boys. All swimmers in the 1650 free will swim in the preliminary session. Swimmers in the 500 free and 1650 free are responsible for providing their own counter. Swimmers in the 1650 free are responsible for providing timers (one is mandatory, two is preferred). At the request of the swimmer’s coach and at the discretion of the Referee, at least 15 minutes will occur between swims for the same individual. This notification must be made to the referee prior to the start of the session. Please be aware that once entries are processed, changes to the warm-up and meet start times may occur. A technical bulletin will be emailed to coaches and will be posted at [www.swimsaluki.com](http://www.swimsaluki.com).

**Seeding and Swimmer Positive Check-in:**

The Friday 400 IM will be a positive check in by 9:00 a.m., the Saturday morning 500 free and 1650 free will be a positive check in by 9:00 a.m., the Saturday afternoon 500 free will be a positive check in by 2:30 p.m., and the Sunday 500 and 1650 free will be a positive check in by 9:00 a.m. Any scratch after positively checking in for the 400 IM, 500 free, and the 1650 free will result in the swimmer being ejected from their next individual event (see exceptions below under scratches). The 1650 free is a combined age group deck seeded event. It will be seeded fastest to slowest and girls will swim on Saturday morning and boys will swim on Sunday morning.

**Relay Procedures:**

All relay events are timed final events and coaches must turn in relay cards by the announced deadlines. Turned in relay cards will be considered a positive check in. Any relays not turned in by the deadline will be scratched from the event.

**Ready Room Procedures:**

During Finals, there will be a "ready room" and a parade of finalists for the "A" final of each event. All finalists of the "B" and "A" heats will be asked to check in with the ready room at least 2 events before their race. "A" finalists will be paraded out to music and have their names announced while the music plays prior to their stepping up on the blocks. The "B" heat will be swum prior to the "A" final. The "B" (consolation) finalists will have their names announced during their event. Any swimmer who does not show up to the ready room in a timely fashion will be called for once over the loud speakers. If they do not show up immediately, the alternate will swim. Alternates will not be penalized for failure to show up for a finals event.

**Time Trials:**

Time trials will be held at the end of the session each day of the meet for events 500 yards and less if time permits. All swimmers entered in the meet can time trial. Time trial fee is \$5 per splash. Time trials will be deck seeded. Entries and fees must be provided to the Admin Official by the announced deadline.

**Warm-up Procedures:**

Warm-up procedures will be defined by the Ozark LSC safety regulations. A swimmer attending the meet without a USA-S registered coach must report to the meet referee prior to warming up. The referee or his designee shall instruct the swimmers in the safety rules and assign them to a lane. Lanes will be assigned for preliminary sessions. Warm-ups for finals sessions will be open.

**Scratches:**

- A. Any swimmers NOT reporting for or competing in a preliminary heat or individual timed final event (except for the 400 IM, 500 free, and the 1650 free after positive check in) shall not be penalized.
- B. Any swimmer who qualifies for a consolation or championship final in an individual event who then fails to show up for said consolation or championship final event shall be ejected from their next individual event. This penalty does not pertain to any alternates who do not show up for Finals.

There will be no penalty for failure to compete in finals if:

- A. The meet referee is notified in the event of illness or injury and accepts proof thereof.
- B. A swimmer qualifying for a consolation or championship finals swim notifies the referee within thirty (30) minutes after the announcement of the finalist for that event the he/she may not intend to compete and further declares his/her intention within thirty (30) minutes following his last individual preliminary event. This is called a "declaring an intent to scratch".
- C. The swimmer "scratches" his or her finals swim within thirty (30) minutes following the announcement of the finalist for that event. The swimmer or coach of that swimmer must report to the announcer in order to "scratch" an event.
- D. It is determined by the meet referee that failure to compete was caused by circumstances beyond the control of the swimmer.

**Officials:**

Teams participating in the meet should provide officials. Uniforms for officials will be white shirt and khaki shorts, slacks, or skirt.

#### **Eligibility:**

All swimmers must be current athlete members of USA Swimming as provided in Article 302 of the USA Swimming Rule Book. "Applied for" will not be accepted. On deck registration is not available.

Swimmers entered in the meet who do not hold current membership will be dropped from the meet and entry fees will not be refunded. Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this request.

#### **Entry Limits:**

Individual Events: Swimmers may enter a maximum of 7 individual events for the entire meet and can enter no more than 3 individual events per day. Any swimmer who enters more than the prescribed number of events will be scratched down to the event limit starting with the highest event number on that day the over-entry occurs.

Relay Events: Each team will be permitted to enter two (2) scoring relays for each relay event. Teams may enter exhibition relays except for the 800 Free Relays. All exhibition relays are to be entered at "NT". You may enter "relay only" swimmers in the meet to swim on the relays even if they do not have individual events, but those swimmers must still pay the posted surcharge for entering the meet. Relay only swimmers must be included with your team's entry by the meet deadline.

#### **Qualifying Times:**

Swimmers must have achieved the USA Swimming A time standard in each event for which they are entered with the exception of bonus events. 13 & older swimmers with 1 time will be allowed to swim 2 bonus swims (1+2=3 swims). A 13 & older swimmer with 2 A times will also be allowed to swim 2 bonus events (2+2=4 swims). If a 13 & older swimmer has a total of 3 or more A times, the swimmer will be allowed 3 bonus swims (3+3=6 swims or 4+3=7 swims). Seven individual events is the maximum. All 12 & Under swimmers with at least 1 A time will be allowed to swim 4 bonus events. If a 12 & Under swimmer has 1 A time, they are allowed to swim 5 events, if they have 2 A times, they are allowed 6 events, and 3 or more A times, they are allowed a total of 7 events. ***Bonus swims shall be indicated in your meet entry file.*** If you have any questions regarding the bonus swims, contact the meet director. Swimmers who only have the Short Course meter or Long Course meter cut for an individual event must enter at the Short course meter or Long course meter time achieved. Those swimmers who achieve USA Swimming A times in either the 1650/1500 free or the 1000/800 free may enter the 1650 distance event. If entering with a cut other than the 1650 free time, enter at the time and in the course the time was achieved. The meet will be seeded in the following order: a) SCY seeding priority b) SCM second seeding priority c) LCM third seeding priority. The meet will be seeded in accordance to USA Swimming rule 207.12.7.

**Qualifying Period:**

The qualifying swims must have occurred between November 16<sup>th</sup>, 2018 and the meet entry deadline of November 13<sup>th</sup>, 2019.

**Proof of Times:**

The host club will confirm all entry times with the USA Swimming SWIMS database prior to the meet. Any entry time that is not found in SWIMS will be flagged and a report will be e-mailed to team contacts prior to the meet. If a club cannot resolve the missing time in SWIMS, the discrepant entry will be adjusted to the time listed in SWIMS (if it qualifies) or will be scratched if no qualifying time exists unless the swimmer has a bonus swim available. If a bonus swim is available, the swimmer will be entered with a NT.

**Entry Fees:** Individual Events - \$4.00    Relay Events - \$10.00    Swimmer Surcharge - \$12.00

# SIU Student Recreation Center Rules and Policies

The following are the rules and policies for the use of the SIU Student Recreation Center during swimming competitions. These policies are in place for the safety of all swimmers, guests, students, and Rec Center members. We appreciate your help in abiding by these rules.

## Parent & Spectators

Please see the attached parking map. Please do not park in the Student Health Center parking spots or the REC member only parking spots.

Parent spectators are not allowed in the lower portion of the SIU Rec Center. Once entering the building, parent spectators will be directed upstairs to spectator area. Only swimmers will be allowed into the lower level of the Rec Center. Swimmers will be allowed to go upstairs to the spectator area, but must be dry and wearing clothes and shoes.

You are welcome to bring your own chairs to use in the 2nd floor hallway observation areas, but you must take your chairs with you when you leave the building. Please DO NOT leave your chairs overnight or between sessions. The SIU Student Rec Center is not responsible for any items left in the building. Any chairs or items left overnight or between sessions will be removed.

Parent volunteers should check in at the front. All parent volunteers listed on the worker sign-up sheet will be given volunteer credentials and will be allowed access to the lower level. Parent volunteers should immediately report to the pool deck.

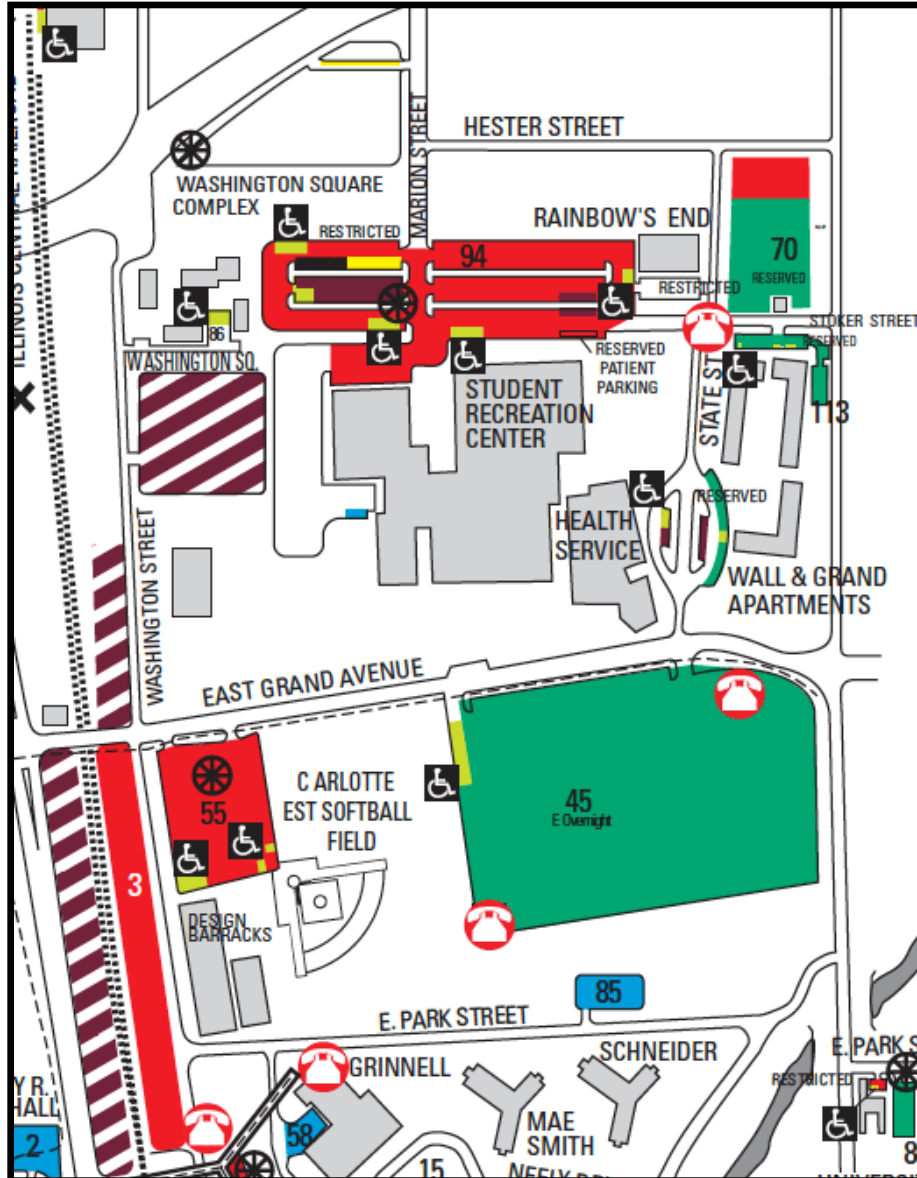

## Swimmers, Coaches, and Officials

Swimmers, Coaches, and Officials will be admitted to the lower level of the Rec Center. Swimmers should identify themselves as swimmers and Coaches and Officials should show their USA Swimming Coaches Registration card at the gate.

If young swimmers need an escort to the locker room area, there will be staff there to escort swimmers to the locker room. Parents will not be allowed to escort swimmers to the locker room or pool deck.

When downstairs, swimmers should only be in the pool area or the locker room. Swimmers are welcome to go upstairs to the spectator area, but they must be dry and wearing shirt, shoes, and clothes and exit through the locker room area.

# Ozark Swimming A Champs Parking Information

Parking for the Ozark Swimming A Champs on the grounds of Southern Illinois University is spacious and convenient. Parking lots 94, 45, 55, and 3 have been made available for our (mostly) unrestricted use during the meet. Meters and other payment requirements in these lots have been suspended. The only restrictions that remain in place are handicapped usage rules and spaces marked “Reserved Patient Parking” and “Restricted” in lot 94. If you require disability access, please note that there is a drop off loop on the South side of the Rec with ground level entrance to the upper viewing area.
