A swimmer, who does not swim equal to or faster than the meet qualifying time standard or is disqualified from an individual event, must prove his/her time, i.e., must provide documentation that he/she has swum at least as fast as the entry qualifying standard, or pay a fine in the amount of two hundred dollars (\$200). Non-Championship meets with qualifying times may establish other proof of time penalties or fines.

Acceptable proof of time includes the USA Swimming SWIMS database and printed or viewable Meet Final Results from any USA Swimming sanctioned, approved or observed meets, high school meets, YMCA closed competition, and NCAA closed competition. Acceptable proof of time identifies the swimmer by name, his/her time, and the meet name and the date on which the swimmer previously achieved the qualifying time. High school meets include any season ending meet (Conference, Sectional, State Championship).
 - C. The results of a Time Trial, conducted at or in conjunction with the meet for which the proof is required, is not acceptable.
 - D. A team with an unresolved proof of time must prove the time or pay the fine by the conclusion of the meet.

The Meet Director shall inform the Sanction Coordinator about the team or unattached swimmer owing the outstanding fine and provide contact information. The Sanction Coordinator shall advise the team or the unattached swimmer regarding the fine and inability to participate in another sanctioned or approved meet.

Conduct of the Meet

Format: The meet will be a combination of prelim/final events and timed final events. All Relays and any individual events 400 yards or longer are timed final events. All other events are prelim/finals. Flyover starts may be used during prelim and timed final sessions.

Prelims:

- Preliminary heats will be seeded combined by age group.
- Based on the entry numbers from the 2017 meet, the plan is to run a single, 10-lane course for all events with exception of the 1000, 1650, and 800 free relays, where two pools may be used. At the discretion of meet management, two pools may be used during preliminary sessions. Events may be moved to an alternate pool at the discretion of meet management.
- Breaks may be inserted in the meet at the discretion of the Meet Director.

- Swimmers will report directly to the blocks in all pre-seeded events as assigned in the heat sheet.

Timed Finals:

- The 400 IM and 500 Free events shall be timed final events. The top seeded heat in each age group competes in finals. All but the fastest heat in each age group will run **slow to fast** during prelims. Swimmers must provide their own counters for the 500 Free.
- The Boy's 1650 and Girl's 1000 Free shall be a timed final check-in event with all heats competing during the timed final session on Thursday. The top heat of each age group will swim first, starting with 13-14. Remaining heats will be combined ages and run **fast to slow** after the top heats of all three age groups are completed. Swimmers must provide their own counters for the 1650 Free. Age groups will be separated for scoring and awards.
- The Boy's 1000 and Girl's 1650 Free events shall be a timed final, check-in event with the top heat of each gender regardless of age swimming at finals. All but the fastest heat of each gender will run fast to slow at the end of preliminary session with ages combined. Swimmers must provide their own counters for the 1000/1650 Free

Finals:

- The top 20 swimmers in each age group will advance to finals in prelim/final events.
- The West Pool will be used for all finals sessions.
- Each event during finals will consist of a Consolation and Championship Final Heat for prelim/final events. The order of heats for finals will be Consolation Finals followed by Championship Finals in the following order: 13-14 Girl's, 15-16 Girl's, Senior Girl's, 13-14, Boy's, 15-16 Boy's, Senior Boy's.
- The top heat of each age group in the 500 free and 400 IM will compete in the finals session. The order of heats for finals will be: 13-14 Girl's, 15-16 Girl's, Senior Girl's, 13-14, Boy's, 15-16 Boy's Senior Boy's. Swimmers in Championship Final Heats will be paraded and announced before they compete.
- In the Boy's 1000 and Girl's 1650 Free, the top heat of checked-in swimmers, regardless of age will compete in Sunday finals.

Relays:

- Relays are subject to the scratch deadline for each respective day (there is NO POSITIVE CHECK-IN FOR RELAYS)
- The 200 yard relay events will be swum to completion in a single session, and are swum **slow to fast**.
- The 400 yard relays not seeded into the finals session will compete at the end of the preliminary sessions, **run fast to slow**. Top heat of 13-14 and top two heats of Seniors will compete at Finals, **run slow to fast**.
- The 800 Free Relay shall be a timed final scratch event with the top heat of 13-14s and the top heat of seniors competing in the evening; the slower heats of Seniors, **run fast to slow**, followed by the slower heats of 13-14s at the conclusion of the morning session.

Scratch and Check-in

Positive Check-in: Positive check-in is required for the 1650 Free and 1000 Free. Check-in deadlines are shown below.

Deadline for Thursday	Wednesday 6:30 PM (Thursday prelims heat sheet will be emailed to coaches and posted on Wednesday evening)
Deadline for Friday	Thursday 6:30 PM
Deadline for Saturday	Friday 6:30 PM
Deadline for Sunday	Saturday 6:30 PM

The check-in sheets will be located at the scratch table in the Admin Office. If you will not be arriving in time to make the deadline, coaches may check-in events via email to kmilak@plprairiewi.com. Positive check-ins submitted by email must be completed by the deadlines listed above.

Any swimmer who does not complete positive check-in for an event they have entered, will be seeded into that event with the slowest non-conforming time standard. There will be no penalty if this swimmer fails to compete in that event.

Relays: Deadlines for relay cards will be posted and announced throughout the meet. Swimmer names and the order of the swimmers must be listed on all relay cards. Relay-only swimmers (13-14 first relays only) must be included on your meet entry. Additional relay-only swimmers may be added during the meet, *but must be entered in the meet management office at least 30 minutes before the start of the session in which they swim.*

A relay team member failing to appear ready to swim for the relay event shall be barred from the next individual event in which the swimmer is entered, on that day or the next Meet day, whichever is first. The relay team members who do appear ready to swim shall not be penalized for failure of the other team members to appear.

Down Seeding: Down-seeding will be allowed for Relay and Individual Timed Final events. Down-seeding must be declared by the above deadline for that event by indicating "PRELIMS ONLY" on the check-in sheet. When down seeded, the swimmer(s) will be seeded last (slowest non-conforming qualifying time). We may swim open lanes in finals if needed to accommodate down-seeding requests.

Declared False Start (DFS): A DFS can be made by the coach or swimmer to the Administrative Referee prior to the start of the session; or Deck Referee during the session prior to the start of a heat in which the swimmer is seeded, in an event for which they have checked in or in a preliminary session of a prelims-finals event they had failed to scratch.

A DFS may be made in a Timed Finals event and for swimmers in the fastest heat swimming with Finals in a Timed Finals event. No explanation for the DFS is warranted, and all requests shall be granted. A DFS is a disqualification for the swimmer.

DFS is not allowed in Finals. If a swimmer fails to compete in finals (except due to injury, illness or circumstances beyond the control of the swimmer, as determined by the Referee), it is a failure to compete and the swimmer is barred from the remainder of the meet.

Scratching from Prelims: Swimmers may scratch from an event in which they are entered by submitting a scratch form to the clerk of course (scratch box) prior to the deadlines shown below:

The scratch box will be located at the scratch table in the meet management room on the pool deck. If you will not be arriving in time to make the deadline, coaches may scratch events via email to kmilak@plprairiewi.com. Scratches submitted by email must be completed by the deadlines listed above.

In all events where preliminary heats are necessary, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer is entered and has not been scratched will be barred from the next individual event in which the swimmer is entered, on that day or the next Meet day, whichever is first. The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events.

No penalty shall apply for failure to withdraw or compete in the Prelims or Timed Finals heat of an individual or relay event if the swimmer or coach notifies the Deck Referee prior to the swimmer's assigned heat of a Declared False Start.

Scratching From Finals: Scratches from Finals shall be made with the Administrative Referee (or designee) located at the scratch table in front of the glass office on the east side of the pool. NOTE: Do not use the scratch box to scratch from Finals. Finals shall include those events conducted in a preliminary-finals format.

Any swimmer qualifying for a Consolation Final or Championship Final race in an individual event who fails to compete in said Consolation Final or Championship Final race shall be barred from further competition for the remainder of the meet. Disqualification under this section shall apply only to swimmers qualifying based on the original preliminary results. However, if a swimmer or coach is notified that the swimmer has scratched into a Consolation Final or Championship Final race in an individual event, accepts the position, and then fails to compete, the swimmer shall be barred from further competition for the remainder of the meet.

In the event of withdrawal or barring of a swimmer from competition, the Meet Referee shall fill the Consolation Final or Championship Final when possible with the next qualified swimmer(s). First and second alternates shall be announced along with the Final qualifiers. These alternates shall not be penalized if not available to compete in Finals.

When Consolation Finals have not yet been swum and a barring or withdrawal is known to the Meet Referee, the Meet Referee shall reseed the Consolation Final and Championship Final, if necessary, by inserting the alternate(s) in the appropriate lane(s), filling all lanes in the Championship Final race. If a Consolation Final has been contested, the companion Final shall be swum without reseeding for empty lanes.

Exceptions for Failure to Compete in Finals: No penalty shall apply for failure to withdraw or compete in an individual event if:

- 1) The Referee is notified in the event of illness or injury and accepts the proof thereof.
- 2) A swimmer qualifying for a Consolation Final or Championship Final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
- 3) It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
