WISCONSIN SWIMMING - CAMP REPORT

- 1) We are open to any coaches, swimmers or parents interested in serving on our committee. Current people that have expressed some interest in serving on the committee are Joe Schweitz, Emily Schweitz and Michael Mohr (Athlete Reps), Jeanne Drzewiecki (NSSC), Brent Boock (EBSC), Stu Schaefer (MSS). If you are interested in being on the committee – contact Joe Schweitz with in info on the letterhead.
- 2) Our intention is to have a committee meeting sometime this winter or spring of 2007. The meeting will be held before the next LSC meeting in April of 2007. The goals at the meeting are:
 - a) Set up rationale of Wisconsin Swimming running camps.
 - b) Program dates for potential future camps.
 - c) Develop a plan for what Wisconsin swimmers should be targeted for different types of camps.
 - d) Set responsibilities of committee members with the emphasis of getting the athletes representatives directly involved in the projects.
 - e) Look at budget concerns to be presented to the LSC in April.
- 3) We would like to run our first camp this fall. We are hoping this camp could be associated with a potential LSC sponsored “Swimposium” that has been a topic of consideration in the past.
