  - c. Positive check-in on Wednesday PM
    - i. Change this to Thursday AM?

2016 Zones Report

Tuesday, August 8, 2017

From Rob McCabe, Head Coach

Team Unify (TU) was good and was better than last year. Keeping the entries in allowed the coaches to communicate with families and coaches much easier. Coaches were able to run reports by session, relays, etc. Once the Wifi hotspot was purchased the registration process was much more streamlined.

Having Ellsmore on site with a store and inventory was quite handy. Athletes could try the suits on right then and there, had multiples sizes of the apparel and allowed for quick answers to questions. The having a store site at the meet venue was great too. That pretty much took the apparel and gear questions away from Angela and the coaches.

Zone team staff had 9 people (8 coaches, 1 Manager).

Manager: Angela Monty,	Head Coach: Rob McCabe,
11-12 Boys & all 13-14 Lead: Alex Hallam,	11-12 Boys & all 13-14 Asst.: Katie Palmiter-James,
11-12 Girls Lead: Mike Rose,	11-12 Girls Asst.: Dave Snyder,
10&U Girls Lead: Sandy Kuecker,	10&U Girls Asst.: Brie Taylor,
10&U Boys Lead: Luke Schaser	

Number of coaches was manageable. Sessions dispersed evenly with Angela & I each at all 12. Six coaches were assigned to 7 sessions and one was assigned to 6 sessions plus the coaches meeting.

Transportation: each of us drove ourselves to the meet.

Lodging: seven stayed at the hotel and two commuted back and forth. Team WI had five rooms and one coach opted to pay the difference to have their own room.

Entries: The Monday Noon deadline was swift. May have missed some opportunities for kids to swim races that didn't have two WI kids already swimming a particular event.

Officials: Were great, well-staffed at all positions and duties.

D2: The new Disability classification led to some confusion such as, scoring, listing in the heat sheet, where to swim the athlete, award ceremonies, etc. The meet had one D2 swimmer and was from WI.

Meet had 834 athletes and had 3,101 total entries with relays included.

Meet Records: 11 were set at our site (did not cross reference the other meet and include the new events and D2 classification). Central Zone records broken.

Meet was won by Illinois with 4675 points followed by the LSC's.

Michigan: 4201  
Indiana: 3897.5  
Lake Erie: 3031  
Wisconsin: 2189  
Oklahoma: 1295.5

Meet host did an excellent job of posting meet information such as timelines, qualifiers for night, results by session, etc. After first day award breaks were sped up to keep the timeline. Some confusion on Timed Final events and number of lanes used in Finals.

Format: Four day with 11&O Prelims each day, followed by 10&U Timed Finals the first three days, Sunday afternoon was the 1500 session only and 11&O Finals were all four days.

Timelines: Each session was friendly and allowed for a gap between each session. Longest 11&O prelim ended at 11:30am or so. 10&U Warm-ups started at 12:00pm and sessions ended before 3pm. Finals warm-up started at 3:55pm with a 5pm meet start.

Air Quality and temperature: was pleasant for spectators, athletes and people on the deck.

Adjacent Pool: was adequate with 2-4 open throughout the meet for Warm-Up / Cool Down.

Warm-Ups: were good and assigned a time and the LSC's worked out the lane spacing.

Logistics: It was somewhat difficult to have swimmers traveling back and forth to compile relays but almost always communicated well with the lead coaches.

Relay Policy: No complaints.

Deck passes: No complaints and only elected Team WI coaches were allowed on deck.

#### By the numbers:

Wisconsin had 133 swimmers (3<sup>rd</sup> among teams), 87 girls (65%), 35 boys (35% lowest in the meet).

10&U G = 25 | 10&U B = 18 | 11-12 G = 55 | 11-12 B = 24 | 13-14 G = 7 | 13-14 B = 3 | D2 = 13-14 B = 1

129 swimmers were there on Wednesday for team picture and practice.

36 Wisconsin clubs sent at least one swimmer to the meet.

6. Oklahoma = 42 athletes (23 girls 55% & 19 boys 45%)

\*Editorial opinion among WI coaches was WI swam great in finals but flat in prelims. 10&U kids swam well but ended up getting tired by Saturday.
