Non-Championship meets with qualifying times may establish other proof of time penalties or fines.

Acceptable proof of time includes the USA Swimming SWIMS database and printed or viewable Meet Final Results from any USA Swimming sanctioned, approved or observed meets, high school meets, YMCA closed competition, and NCAA closed competition. Acceptable proof of time identifies the swimmer by name, his/her time, and the meet name and the date on which the swimmer previously achieved the qualifying time. High school meets include any season ending meet (Conference, Sectional, State Championship).

The results of a Time Trial, conducted at or in conjunction with the meet for which the proof is required, is not acceptable.

A team with an unresolved proof of time must prove the time or pay the fine by the conclusion of the meet.

A team owing a proof of time penalty or an unattached swimmer owing a proof of time penalty may not enter an LSC sanctioned or approved meet until the proof of time fine is paid. The Meet Director shall inform the Sanction Coordinator about the team or unattached swimmer owing the outstanding fine and provide contact information. SCRATCHING AND DOWNSEEDING

Scratch from Prelims: Swimmers may scratch from an event in which they are entered by submitting a scratch form. The "scratch box" will be online for this meet. Information about the online scratch box will be communicated to coaches and available on the meet landing page.

Swimmers may scratch from an event in which they are entered by following the procedures set forth in the meet announcement.

In all events where preliminary heats are necessary or in any timed final event for which the swimmer has been positively checked in, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer entered and has not been scratched in accordance with above will be barred from all further individual and relay events of that day.

The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day's events.

No penalty shall apply for failure to withdraw or compete in the Prelims or Timed Finals heat of an individual or relay event if the swimmer or coach notifies the Administrative Referee or the Deck Referee prior to the swimmer's assigned heat of a Declared False Start.

Scratch Deadlines:

Friday Events	30 minutes after the coaches meeting on Thursday
Saturday Events	Friday by 6:00 PM
Sunday Events	Saturday by 6:00 PM

Down-Seeding: Down-seeding will only be allowed for Individual distance events (1000Y and 1650Y freestyle and 400/800 Relays events. Down-seeding must be declared by the scratch deadline for that event. Down-seeding procedures will be announced at the general meeting.

Declared False Starts: A DFS can be made by the coach or swimmer to the Administrative Referee or Deck Referee at any time prior to the start of a heat in which the swimmer is seeded, in an event for which they have checked in or failed to scratch, during the preliminary sessions. During warm-ups (prior to the start of the session), the DFS is given to the Administrative Referee in the glass office. After the start of the session, the DFS is given to the Deck Referee.

A DFS may be made in a Timed Finals event and for swimmers in the fastest heat swimming with Finals in a Timed Finals event. No explanation for the DFS is required, and all requests shall be granted. A DFS is a disqualification for the swimmer and counts towards the total allowed events per day and per meet.

DFS is not allowed in Finals. If a swimmer fails to compete in finals (except due to injury, illness or circumstances beyond the control of the swimmer, as determined by the Meet Referee), it is a failure to compete, and the swimmer is barred from the remainder of the meet.

Relays: A relay team member failing to appear ready to swim for the relay event shall be barred from the next individual event in which the swimmer is entered, on that day or the next meet day, whichever is first. The relay team members who do appear ready to swim shall not be penalized for failure of the other team members to appear.

Scratching Timed Finals Scratches from Timed Finals events, that are unseeded, must meet the scratch deadline. For seeded Finals see the DFS rules above. Scratches, from seeded time final events with heats competed during Finals shall be made directly with the Administrative Referee.

Events in Finals:

NOTE: After an event has been seeded, do not use the online scratch process to scratch from timed finals heats competed during Finals.

Scratch from Finals: After the preliminary heats from both preliminary sessions have swum, results will be announced. After announcing is complete swimmers will have thirty (30) minutes to scratch or declare their intentions to scratch. Once events close there is no scratching from finals.

Failure to Compete: Any swimmer qualifying for a Finals race in an individual event who fails to compete in said race shall be barred from further competition for the remainder of the meet. Disqualification under this section shall apply only to swimmers qualifying based on the original preliminary results. However, if a swimmer or coach is notified that the swimmer has scratched into a Finals race in an individual event, accepts the position, and then fails to compete, the swimmer shall be barred from further competition for the remainder of the meet.

In the event of withdrawal or barring of a swimmer from competition, the Meet Referee shall fill the Consolation Final or Championship Final when possible with the next qualified swimmer(s). First and second alternates shall be announced along with the Final qualifiers. These alternates shall not be penalized if not available to compete in Finals.

When Consolation Finals have not yet been swum and a barring or withdrawal is known to the Meet Referee, the Meet Referee shall reseed the Consolation Final and Championship Final, if necessary, by inserting the alternate(s) in the appropriate lane(s), filling all lanes in the Championship Final race. If a Consolation Final has been contested, the companion Final shall be swum without reseeding for empty lanes.

Finals Check-in procedure will be discussed at the coaches meeting.

No penalty shall apply for failure to withdraw or compete in an individual event if:

1. The Meet Referee is notified in the event of illness or injury and accepts the proof thereof.
2. Bonus, Consolation, or Championship Final based upon the results of the preliminaries notifies the referee within thirty (30) minutes after the announcement of the qualifiers for that race that they will not compete.
3. A swimmer qualifying for a Bonus, Consolation, or Championship Final race based upon the results of the preliminaries notifies the Administrative Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
