1.0 OVERVIEW

In June 2003 USA Swimming launched a browser-based database system that consolidated 30 different types of databases utilized by volunteers and staff to serve its athlete and non-athlete members. With membership data and times data linked for the first time, SWIMS (**S**wimming **W**eb-based **I**nteractive **M**embership **S**ystem) is a comprehensive and inclusive database. SWIMS is a composite of membership data and history and a databank of times swum for nearly every athlete member since June 2003. It is expected that LSC SWIMS officers will submit all eligible times from LSC sanctioned, approved and observed competitions into SWIMS to provide USA Swimming with complete data for meet entry, athlete tracking, and research.

2.0 PURPOSE

2.1. The purpose of this manual is to provide general guidance to the swimmers, coaches, and volunteers who will be providing or using the times data in the SWIMS system. The guidelines describing the functions of the Times Module of SWIMS are meant as a handbook for the LSC Times Volunteers who use SWIMS.

2.2. Times for USA Swimming members that have been entered into SWIMS are visible on the look up feature on the USA Swimming website.

2.3. The primary purpose of the Times module in SWIMS is to provide a database of all official times that conform to the requirements stipulated in the Timing Rules section of the Technical Rules portion of the USA Swimming Rules and Regulations. Open Water times are not included in the SWIMS database.

3.0 RESPONSIBILITIES

3.1. Each LSC is responsible for data entry of times within its geographical boundaries. There may be exceptions as agreed upon by specific LSCs.

3.2. Times from the following meets will be entered into SWIMS by the host LSC:

A. Sanctioned and approved LSC Meets.
B. YM/YWCA/AAU Championships.
C. Other swims that have been authorized for observation.

NOTE: Times from observed swims and approved meets will be entered into SWIMS by the LSC for USA Swimming member athletes with USA Swimming ID numbers or full legal names and birth dates provided in the electronic meet results or separately on paper. , with the exception that times from NCAA meets will be entered by USA Swimming staff.

3.3. The following meets do not fall under the LSC responsibility for data entry:

A. USA Swimming Trials, ConocoPhillips National Championships, including time trials, and United States Open Championships.
B. USA Swimming Short Course (SCY) Championships, including time trials.
C. USA Swimming Speedo Junior Championships, including time trials.

D. World Cup, World Championships (short and long course), Olympic Games, World University Games, Pan American Games, Pan Pacifics, Junior Pan Pacifics, including time trials (inclusion of times from these meets will be done for American athletes only). Foreign athletes who wish to use these times to compete in USA Swimming meets should present results to USA Swimming staff (Times) for inclusion in SWIMS.

E. Pro Series and Futures meets, including time trials, unless the LSC is specifically requested to enter the meet into SWIMS.

F. Certain International competitions at which a USA Swimming National Team competes.

G. NCAA meets.

H. Foreign meets authorized by a FINA member that are attended by USA Swimming registered swimmers (See description of foreign meets in 4.4 and Form D.).

4.0 TYPES OF MEETS INCLUDED

This summary is intended to help clarify the key differences about the various types of swims generating "official" USA Swimming times. More detailed information and definitive regulations are available in USA Swimming Rules and Regulations (Article 202) in which requirement and conditions for sanction, approved competitions, NCAA meets, and observed swims are defined.

4.1. SANCTIONED MEET

A. All participants must be members of USA Swimming (including meet directors, coaches [all persons acting in any coaching capacity must be coach members], officials, athletes, and participating clubs.

B. Meet must be conducted under USA Swimming technical and administrative rules.

C. All official times achieved will be recognized by USA Swimming.

4.2. APPROVED MEET

A. There are no requirements for USA Swimming athlete membership for meet participation.

B. Approvals may be issued to non-member clubs/organizations for meets conducted in accordance with USA Swimming technical rules, including those requirements stipulated under the Timing Rules section of the Technical Rules portion of USA swimming Rules and Regulations.

C. Approvals may be issued to member clubs for closed competition (such as YMCAs) conducted in accordance with USA Swimming technical rules.

D. Approvals may be issued to member clubs for open competition conducted in accordance with USA Swimming technical rules if that competition has been specifically approved by the USA Swimming Program Operations Vice Chair or designee(s). (See Form E in attachments.)

4.3. OBSERVED MEET

A. There are no requirements for USA Swimming athlete membership for meet participation.

B. Meet is conducted under technical rules other than USA Swimming (e.g., high

school, Masters, IPC).

C. A request for observation must be made to the LSC at least ten (10) days prior to the meet. Policies and procedures may vary between LSCS.

D. Times from swim(s) observed and approved by association officials working season-culminating championship meets and invitationals are recognized by USA Swimming (except for NCAA meets – see below). Official times of USA Swimming members are eligible for inclusion in the SWIMS database. A USA Swimming official must verify that all swims approved for USA Swimming purposes were in accordance with the following requirements .
   (1) Minimum of one referee, one starter and two stroke & turn judge association officials working season-culminating championship meets and invitationals;
   (2) 102.24 (Timing Rules)
   (3) 103.3 (Racing Course Dimensions); and
   (4) 103.14 (Starting Platforms)

E. Times for events achieved at NCAA bona fide competition as defined in the current NCAA Rules and Interpretations shall be regarded as approved times for USA Swimming purposes and are to be submitted within 72 hours after the meet has ended to ncaa@usaswimming.org.

F. If technical rules of the stroke differ from USA Swimming as defined in Article 101, at least two observers from USA Swimming and/or the YMCA, who shall be certified Stroke & Turn Judges assigned or approved by the LSC, must be present. If the technical rules are identical, the judgement of the organization officials shall be sufficient.

4.4. FOREIGN MEET

A. For times from a foreign meet sanctioned by another FINA member to be included in SWIMS, the meet must comply with the minimum standards for an official time as stipulated under the Timing Rules section of the Technical Rules portion of the USA Swimming Rules and Regulations and be approved in advance by the Program Operations Vice Chair or designee(s) (see Form D in attachments).

B. This category of foreign meet does not include international competitions at which the USA Swimming National Team is competing. Times submission from such International meets is the responsibility of the USA Swimming staff to submit.

C. The USA Swimming member must be representing his/her club or swimming unattached for a time to be included in SWIMS. If a USA Swimming member is also a foreign federation athlete, the swimmer may represent his/her foreign club in a foreign meet.

D. USA Swimming has an “open border” policy with Puerto Rico, Canada, Bermuda, and the U.S. Virgin Islands. Travel documents are not necessary for their athletes or clubs traveling to the United States and are not necessary for USA Swimming’s athletes traveling to these countries. Swimmers who wish to compete in international meets outside of these countries must obtain a Foreign Travel Permit through the LSC Registrar and USA Swimming Membership Services before competing in a foreign meet.

4.5. TIME TRIALS

A. Time trials conducted at meets other than the competitions defined in 3.3 must conform to the following:

(1) Time trials must be sanctioned by the LSC and conducted in accordance with all USA Swimming Technical Rules and abide by the Requirements for Sanction stipulated in the Administrative Regulations of Competition portion of the USA Swimming Rules and Regulations.

(2) Time trials must be authorized in accordance with established LSC procedures.

(3) If a time trial is conducted in conjunction with an approved meet, a USMS meet, a high school, collegiate meet, or other meet authorized for USA Swimming observation and it is officiated to the same standard as the authorized meet, times may be entered into SWIMS.

(4) All time trials meeting the above specifications should be uploaded into SWIMS.

(5) Electronic results (SDIF, .cl2, XDIF, HY3) of the time trials may be loaded into SWIMS as part of an accompanying swim meet or separately. The preferred method is separate results files. All results must be entered into the proper event description in the meet file.

4.6. ALTITUDE ADJUSTED TIMES

A. Information on Altitude Adjusted Times may be found in the USA Swimming Policy Manual. Altitude Adjusted Times may be used to enter USA Swimming Sanctioned Meets. They may not be used for records or recognition purposes.

B. Times achieved at an altitude of 3,000 feet or above may be adjusted as follows:

Time Adjustment

Event Distance	3000-4250 Feet	4251-6500 Feet	Above 6500 Feet
200	.50 Sec.	1.20 Sec.	1.60 Sec.
400 or 500	2.50 Sec.	5.00 Sec.	7.00 Sec.
800 freestyle relay	2.00 Sec.	4.80 Sec.	6.40 Sec.
800 or 1000	5.00 Sec.	10.00 Sec.	15.00 Sec.
1500 or 1650	11.00 Sec.	23.00 Sec.	32.50 Sec.

(1) Subtract the time indicated above from the actual time achieved at altitude. This is the time to be used on the entry form and seeding will be based on that time. Information relative to the adjustment accompanying the entry form must include name of swimmer, event, date of performance, elevation location, actual time, corrected time, and signature of coach.

(2) A swimmer or relay may use the above adjustments to meet the national qualifying standard and seeding will be based upon that time.

5.0 SWIMMING RECORDS

World Records and USA Swimming Records (including American and United States Open Records, National Age Group (NAG) Records, Zone Records, and LSC Records) must comply with the requirements stipulated under the Rules for Timing Records section of the Technical Rules portion of the USA Swimming Rules and Regulations. USA Swimming record applications, where necessary, shall be submitted to USA Swimming and shall be approved by the Times and Recognition Committee.

5.1. Applications for all USA Swimming records shall be posted on the USA Swimming website.

5.2. Applications and all required paperwork for American and United States Open Records must be submitted within 14 days of performance.

A. An American Record may be established only by United States citizens eligible to compete under and achieving an official time in accordance with USA Swimming rules. Records may be established in or outside of the United States.

B. A United States Open Record may be established only within the geographical territory of the United States by any person eligible to compete under and achieving an official time in accordance with USA Swimming rules.

C. Pool measurement as stipulated under the Pool Measurement portion of the American and United States Open Records sub-section of the Technical Rules section of the USA Swimming Rules and Regulations is required. Record applications will not be accepted unless certification of course length accompanies the application or is already on file with USA Swimming. Certifications last indefinitely unless structural changes are made to the pool. The length of the course shall be measured and certified by a qualified person in accordance with the standards established by USA Swimming.

D. In a pool where a moveable bulkhead is used, course measurement of the lane in which the record was set must be confirmed at the conclusion of the session during which the time was achieved.

E. Times must be registered by automatic equipment and submitted in hundredths of a second.

F. If an American Record or United States Open Record is set at the USA Swimming National Championships, Junior National Championships, United States Open Championships, or any USA Swimming Selection Meet, National Event staff and/or Program Operations designees will compile and submit all documentation and ensure that all requirements have been met.

G. If a swimmer in a NCAA Bona Fide competition sets a record, the referee shall stipulate that the athlete was not wearing illegal tape on the record application or confirm this with the Program Operations designees.

5.3. Applications and all required paperwork for NAG records must be submitted within 30 days of performance.

A. Only USA Swimming members who are U.S. citizens representing a USA Swimming

club or competing unattached are eligible to establish National Age Group records. Times submitted for Age Group Records must comply with all requirements stipulated in the National Age Group Recognition Program detailed in the Administrative Regulations of Competition of the USA Swimming Rules and Regulations.

B. The official times for establishing specific records in short course yards or long course meters must be achieved as determined in accordance under the Timing Rules section of the Technical Rules portion of the USA Swimming Rules and Regulations.

C. If a NAG record is set at a USA Swimming National Championship, Junior National championship, United States Open, or USA Swimming Selection meet, National Event staff members and/or Program Operations designees will provide documentation and ensure that all criteria are met. NAG records achieved at Sectional, Arena Pro, or Futures meets do not require application. Times and Recognition Committee will document and award record status.

D. Measurement of the pool is not required for a NAG Record. In signing a NAG application form, the meet referee is confirming the validity of the time, the swim, and the course.

E. If an NCAA competitor sets a NAG record in a Bona Fide competition, the referee shall stipulate on the application that the swimmer was not wearing illegal tape.

5.4 Specific requirements for Zone records and LSC records will be set by the appropriate Zone or LSC

6.0 AGE GROUP RECOGNITION PROGRAM

6.1. It is the responsibility of the Times and Recognition Committee to establish an Age Group Recognition Program and the NAG motivational time standards chart. The Time and Recognition committee may consider and make changes prior to the start of a new awards period in accordance with the USA Swimming Rules and Regulations.

6.2. The Age Group Recognition Program will recognize the following for short course yards and long course meters:

A. The top ten individual times in a single age group beginning at age 11 through age 18.

B. The top ten relay times beginning with age group 11-12 and continuing for the 13-14 and 15-18 age groups.

6.3. The Age Group Recognition Program will use a 12 month qualifying period beginning on September 1 of the prior year to August 31 of the current year to determine eligibility.

6.4. All times must be reported no later than September 7th of the current year for the previous 12-month period (September 1-August 31). The final list will be posted to the website no later than October 15th.

6.5. A time that would have made the top ten list if correctly submitted prior to the deadline may be awarded a certificate of performance at the discretion of the Times and Recognition Committee. A supplemental list may be published after the list has been declared final. However, no previously recognized authentic time will be removed from the final listing.

6.6. The Times and Recognition Committee, with the recommendation of the Zone Top Times Sub-committee, has the authority to resolve issues that may arise. Corrections and additions are the duties of the LSC tabulators. It is the LSC tabulator's responsibility to screen the lists posted throughout the year for discrepancies and omissions. Questions should be addressed to the LSC tabulators.

6.7. Each LSC shall appoint a Top Times tabulator to lead these responsibilities. A list of all LSC tabulators, and a list of the Zone Top Times tabulators, will be available on the web site. Zone Top Times Preview Lists will be posted on the Zone websites according to a schedule authorized by the Times and Recognition Committee.

6.8. Until the National Top Ten Times list is final, lists of current age group top times achieved and retrieved from the USA Swimming web site or Zone web sites are drafts and may contain errors.

7.0 TIME VERIFICATION PROCESS – APPROVED MEETS

Guidelines for Approved Meets beginning September 1, 2013

1. In order to comply with Article 202.6 in the USA Swimming Rules and Regulations, approved meets shall comply with USA Swimming technical rules.
2. Article 202.6.8D requires compliance with Article 102.10 Officials.
3. Per Article 102.10, beginning September 1, 2013, an Administrative Official or additional Referee is required for all sanctioned and approved meets. The Administrative Official and Referee may not act in more than one officiating capacity.
4. In approved dual meet competition the meet referee may also act as a stroke and turn judge. The starter may also act as a stroke and turn judge.
5. For a Y Closed League meet, a Y certified Administrative Official, or a Y Level II official acting in the administrative capacity can fulfill the requirement stipulated in Article 102.10.
6. For all other approved meets (non-closed league meets), such as a State Games meet, Black Heritage meet, or AAU competition, or USA-S club hosted approved meets, an Administrative Official certified by USA Swimming is required for approval authorization by the LSC.
7. The meet referee or designee is responsible for entering the AO into OTS along with the other meet officials.

7.1. APPROVED YMCA AND AAU MEETS

A. For YMCA Closed League Meets, effective September 1, 2006, the YMCA of the USA adopted the USA Swimming technical rules for the conduct of all of its swimming competitions. As a result, there are no longer any differences in the technical rules by which swimmers will be judged when participating in swimming competitions hosted by either USA swimming or the YMCA. As a further result, YMCA sanctioned swimming competitions (multi-team meets, large invitationals, and championship competitions) should be eligible to be treated as an “approved” meet as defined under USA Swimming Rules and Regulations and there is no longer a basis for “observed swims” with respect to YMCA swimming competitions.

B. The following is a list of the requirements for a swim meet hosted by a YMCA swimming club or AAU club to be considered an Approved Competition:

(1) Requests for approved meets should be submitted to the LSC Sanction Chairman of the LSC in which the meet will be conducted.

(2) YMCA clubs who are also USA Swimming clubs may host sanctioned competitions, but only in their capacity as a USA Swimming club and only if all competitors in the competition are members of USA Swimming.

(3) Written application for approval shall be made not later than the period established by the LSC prior to the competition. The LSC may establish a fee for processing such applications. Fees to the LSC according to their policies and by-laws may be assessed. Application for approval shall be accompanied by a complete meet or event information and statement of the nature and value of prizes to be awarded. Payment of a fee or expenses to the assigned USA Swimming officials shall not be a requirement for approval.

(4) An issued Approval is not transferable.

(5) No further Approvals shall be given if the YMCA or AAU club has failed to satisfy expense obligations to athletes or to award prizes as stated on its entry blank or meet information until such obligations are satisfied or the prizes awarded.

(6) No Approval will be granted if the words "Olympic," "World," "Nationals," "United States of America," or any derivative thereof is used in any manner in connection with the competition unless consent for such usage is obtained from USA Swimming.

(7) The following clause must appear on all approval forms and on all forms upon which official approvals are granted: "In granting this approval it is understood and agreed that USA Swimming shall be free and held harmless from any liabilities or claims or damages arising by reason of injuries to anyone during the conduct of the event."

(8) Complete results shall be submitted to the LSC within a period of time established by the LSC.

(9) All approvals must be signed by an authorized representative of the LSC and record kept by the LSC.

(10) An Approval may be withheld or withdrawn by the LSC if the competition was not conducted in accordance with the above requirements.

(11) If an event is to be contested in more than one LSC's or country's jurisdiction, the application for approval shall be submitted to the LSC in which the event begins. The LSC granting the Approval shall notify the other LSC(s) and/or the governing body of the other country in which the event is being contested of the details of the event.

(12) YMCA clubs who are also registered as USA Swimming clubs should be aware that USA Swimming insurance may not provide coverage when hosting an approved competition or when attending an approved competition if not all competitors from the club are USA Swimming members.

7.2. Mutual Guidelines for YMCA Teams, AAU Teams, and USA Swimming Officers for SWIMS Database

A. The following criteria must be met if a YMCA or AAU team wishes to have times for its athletes entered into SWIMS:

(1) The meet must be run according to the guidelines of Part One, Technical Rules, USA Swimming Rules and Regulations. In lieu of an Administrative Official or second referee to comply with 102.10, a Level II Y certified official designated to fulfill the position of Administrative Official may be used at a Y meet.

(2) The meet shall be "Approved" by the host LSC according to its by-laws or formal policies and in accordance with the Requirements for Approval section of the Administrative Regulations of Competition of the USA Swimming Rules and Regulations.

B. While the Y meet results file is official for YMCA purposes, in order to ensure that swimmers in an approved Y meet are able to represent the Y/USA Club team, the host team can require each Y team to send a list of a club's USA-S registered swimmers obtained from the USA-S Club Portal with their entries. At the conclusion of the meet, any swimmer who must be shown as UN in the USA- S database should be un-attached in the meet file and any relays the swimmer competed on should be deleted by the meet host. The meet host can also work with the LSC registrar and, if both agree, send a post meet recon file to the LSC and then make any corrections upon receipt of the recon before submission of results to the LSC for USA Swimming purposes.

C. Upon completion of a swimming competition and within seven (7) days of the end of the meet, the Meet Manager Back-up File should be sent to the SWIMS Times Officer in the LSC. The SWIMS officer will export a meet results file which will include the times for USA Swimming registered athletes for loading into SWIMS.

D. Times loaded into SWIMS will show the athletes attached to the USA Swimming club name if that name is the same as the YMCA or AAU team name. If the name of the team is different, the times may show up as LSC UN. A USA Swimming member swimmer who is unattached will appear LSC UN in the database.

8.0 NCAA MEETS

1. Beginning in September 2017, the NCAA adopted the Fina Technical Rules for swimming. NCAA meets are no longer required to be observed by USA Swimming. Times from NCAA meets in all divisions are eligible to be used for USA Swimming purposes if the following criteria are met:
   A. The meet is a bona fide competition as defined in the current NCAA Swimming and Diving Rules and Interpretations Book. Bona fide competitions include the following:
      (1) Competition is between two or more teams of the same gender at the same time and site, from different collegiate institutions.
      (2) All competitors are eligible by NCAA standards.
      (3) Meets must be on the institutions' approved competition schedule.
      (4) Meet officials must be qualified and/or certified.
   B. For each meet, officiating must be in compliance with NCAA rules for Officials and their duties as stated in the NCAA Rule Book.
      (1) There shall be a sufficient number of officials to properly conduct the meet. For dual, double-dual, triangular and quadrangular meet competitions, it is recommended that a minimum of two, three, or four officials be used to properly observe all competitors equally and enforce playing rules.
      (2) For championship and invitational competition, it is recommended that a minimum of six officials are used.
      (3) It is the host institution or conference meet committee's responsibility to ensure compliance with the minimum number of officials or to receive mutual (unanimous) consent to change the minimum requirements.
   C. Meet results shall be sent to ncaa@usaswimming.org within 72 hours of the end of competition. It is the responsibility of the USA Swimming Times Staff to ensure that the requirements of a bona fide competition are met.
   D. The USA Swimming rule for Lane Timing Malfunction Adjustment has been waived by the Rules and Regulations Committee. The NCAA Meet Referee shall have full jurisdiction over the meet and shall see that all rules are enforced.
2. If a NCAA institution hosts a LCM meet, the referee shall provide names and events to the Program Operations designee(s) for any competitor wearing illegal tape.

9.0 TIMES VERIFICATION PROCESS – OBSERVED SWIMS

1. The intent of observing swims is to provide an opportunity primarily for high school swimmers who cannot compete in LSC sanctioned meets during their association season to achieve times that may be used to enter USA Swimming meets. An important difference between "Approved" and "Observed" is conformance to administrative rules and technical rules (required for Approval) vs. technical rules only (required for Observation).

2. Observation is for the specific purpose of ensuring that swims performed by USA Swimming members are in compliance with the Timing Rules, Racing Course Dimensions, Starting Platform, and Individual Strokes & Relays sections of the Technical Rules portion of the USA Swimming Rules and Regulations. Meets run by dual certified officials (ex. NFHS/USA-S, USMS/USA-S) do not require additional USA-S observers at the meet. The dual certified officials shall record any USA-S disqualifications for USA-S swimming rules which would not be disqualifications under the rules of the meet. Where the technical rules as listed in Article 101 are identical to those of the host organization, the judgement of the organization officials shall be sufficient.

3. At meets which do have separate USA-S observers (a minimum of 2 is acceptable), the USA-S observers shall record ONLY disqualifications for USA Swimming rules which would not be disqualifications under the rules of the meet. Where the technical rules as listed under Individual Strokes and Relays of the Technical Rules of the USA Swimming Rules and Regulations are identical to those of the host organization, the judgment of the organization officials shall be sufficient.

4. An administrative disqualification or an organization disqualification that is not a violation of USA Swimming technical rules should not invalidate an achieved time. Either the dual certified officials or the USA-S observers shall work with meet administration to record/report the time when submitted to the SWIMS Times database for non-NCAA high school competitions. For such a disqualification in NCAA competitions, please provide details/times to the Program Operations VP or designee.

5. Following are certain <u>minimum criteria</u> that must be applied to all high school, Masters, and any other meets authorized to have swims observed. The LSC NTV officer has the responsibility of verifying compliance.

   A. Timing must comply with the Timing Rules stipulated in the Technical Rules section of USA Swimming Rules and Regulations.
   B. If separate officials are being used for observation, at least one official must be stationed at each end of the pool.
   C. The number of host association meet deck officials (high school, USMS, etc.) must meet the minimum requirements as stipulated in Article 202.7.3A, which must include a referee, a starter and two stroke and turn officials.
   D. The meet shall be on the published calendar of the appropriate school, league, conference, etc. Observation of high school competition shall be authorized for meets in the championship progression and large invitational meets run according to championship protocols and specifically authorized by the Program Operations

designee(s).

E. A time trial held in conjunction with a meet whose swims are authorized for observation may also be observed if the time trial will be officiated to the same standard as the authorized meet.

F. All times for observed swims in high school meets shall be entered into SWIMS as LSC UN with the exception noted in 8.4.D.

G. Observed swims not in compliance with USA Swimming rules should be recorded and compiled by a USA Swimming NTV official in the host LSC.

H. The LSC is encouraged to provide a list of valid observed swims from meets posted on the LSC website within two weeks of the competition, or if complete results have been posted elsewhere, a link to the results and a listing of those swims that were NOT in compliance with USA Swimming rules. A record of observed swims not accepted should be kept by the LSC NTV officials for a period of one year.

I. Upon request, and although not a rules requirement, notification of any swims not accepted due to USA swimming technical rule violations should be provided to swimmers involved.

6. To have a meet authorized for observation of swims, a request must be made to the designated LSC official at least ten days prior to the meet in accordance with LSC rules.

A. For meets other than a season-culminating Championship, use Form A. Should Form A be approved by the LSC, it must then be forwarded to the Program Operations Vice Chair or designee(s). <u>The request must include a reason and explanation for request.</u>

B. For all meets leading directly to a season-culminating championship, use Form B. Form B may be approved by the LSC NTV Officer. (The LSC is responsible for determining whether observation can be properly conducted and will determine which meets will be authorized for observation of swims.) LSC NTV officers must send the list of these meets and dates to the NTV subcommittee chair.

C. Official times for swims in observed meets should be entered within two weeks of the competition into SWIMS by an LSC NTV official or LSC SWIMS officer upon receipt of the following:

(1) Complete legible verification requests (if non-electronic results are utilized).

(2) Official electronic meet results or printed final results with notations indicating those swims not in compliance with USA Swimming Rules. The designated USA Swimming certified official present must attest to the LSC NTV official that the meet was run in accordance with the minimum criteria listed above. The LSC NTV official <u>may</u> determine that all times for athletes with full legal names and birth dates or USA Swimming ID

numbers will be loaded into the SWIMS database without a specific request.

D. The time for a relay achieved in a high school meet may be entered into SWIMS for a USA Swimming club provided all four relay swimmers represent the same USA Swimming club at the time of the swim. All four names must be listed and a specific request be made for this manual data entry into SWIMS. Note that some state high school associations may not permit club affiliation, even for relays, during the high school season.

E. If an observed meet is receiving blanket observation (all swims observed) individual verification requests may be made after the meet.

F. The LSC may choose to load all observed times and relay lead-off splits from observed meets into SWIMS. In this case, the coach can assist in the process by making sure their swimmers are entered into the meet using their full legal names and that the DOBs are provided. If a swim is in compliance with USA Swimming technical rules and the meet has received blanket observation, all swims (unless a disqualification is noted) are valid times. The LSC may establish a fee for entry of observed swim times.
