WHOM TO NOTIFY OF A GRIEVANCE (Chain of Command)

*For issues regarding the **Conduct of a Swimmer** - Contact the swimmer's coach.*

- Should a parent or swimmer feel another swimmer's conduct is inappropriate or violates the **East Bay Aquatics Association** Code of Conduct, the parent/swimmer should discuss these concerns with the coach of the swimmer responsible for the violation first. If not satisfied this complaint should be made in person or in writing to the Head Coach and the Board of Directors. The Head Coach and the Board of Directors once notified of the complaint, will participate in assessing the problem.

*For issues regarding the **Conduct of an Assistant or Age Group Coach** - Contact the Head Coach*

- Should a parent or swimmer feel an Assistant or Age Group Coach's conduct is inappropriate or in violation of any Club policies or procedures, the parent/swimmer should notify the Head Coach of this violation. This complaint should be made in person or in writing. The Head Coach will ensure that the **East Bay Aquatics Association** Board of Directors is notified of the complaint and will participate in assessing the problem.

*For issues regarding the **Conduct of the Head Coach** – Notify the **East Bay Aquatics Association** Board President*

- Should a parent or swimmer feel the Head Coach's conduct is inappropriate or violates any Club policies or procedures, the parent/swimmer should notify the President of the Board of Directors unless the Head Coach is the President of the Board. If that is the case, then the Vice President of the Board should be notified of this violation. This complaint should be made in person or in writing. If the President or Vice President are not immediately available, this complaint may be presented to any member of the Board of Directors, with notification made in writing to the President or Vice President whatever the case might be. This complaint will be subject to review and discussion by the full Board of Directors.

This complaint will be reviewed and discussed by the full Board of Directors.

Note: Except for issues which immediately affect the health and safety of swimmers, all matters should be discussed before or after a coaching session, as coaches should not be expected to deal with issues during water time.
