About Bat Rays Water Polo HS Conditioning Camp):

HS Athletes will work on swimming skills and conditioning, and water polo specific swimming skills, movement drills, leg work, and ball work, to provide athletes a conditioning base for the start of Winter HS season Dec. 7th. Participants will be COVID- screened prior to entry into swim club, and required to wear masks at entry, during any dryland stretching, and upon exiting the pool. Socially distant deck spaces to set belongings will be established. Changing into water polo suits at facility before or after session is not permitted, you need to come wearing swim / polo suits ready for session. Parents will drop off and pick up athletes from the parking lot area. All in-water activity will be planned to provide proper required 6+ feet spacing / distancing for athletes.

COST: **HS BOYS (limit 12 per Group) = \$225.00**

REGISTRATION: **Online from Thursday, Feb. 4th at midnight, closing once Group session is full, at: www.teamunify.com/Home.jsp?team=ebat**
