

Approved Minutes :Thursday March 26, 2020 8pm. Phone meeting

Attendance: Bud Rimbault, Mo Abdelaal, Stephanie Crofton, Corrina Weinkofsky, Matt Garifo, Kip Hein, Ed Miller, Jack Foley, Gavin Formon, Pat Kerrigan

Bud had a conference call with larger LCS's. Keep each other up to date, and in the loop with USA-S information coming out

No NJ Short Course JO's, put that information out to the athletes

What can we do with the summer schedule? The thought is probably beginning of June to get back in the pools.

YMCA canceled LC Nationals just now. Info from Ed Miller

YMCA and public universities will not be opening any time soon

Discussion...Anything scheduled for April and May should be canceled

Discussion...What do we do for June and July?

Matt Garifo thinks we should forgo all summer meets

Mo thinks that is absurd, it is too early to make that decision. Things can change in 2 months.

Bud keep meets on schedule for June and July but we are not making any guarantees

Mo wants to stay on the same schedule as USA-S, they canceled until April 30th.

If a coach is furloughed, then that team has no registered USA coach, so no registered team with USA-S, can't do meet entries

Mo, idea to hold a short course meet in mid-August when the kids are in shape and rested. It would give kids a chance to swim fast SC they missed

Bud: do we need financial compensation for BAC and SAC for money they spent getting ready to host JO and Senior Champs? All agreed yes. Ed Miller suggested they show receipts as to what was spent.

Bud: what about financial assistance to teams for hardship they are incurring. Mo asked do we support clubs or coaches? Gulf LSC giving back \$15 per registered athlete. Other LCS offering 0% loans.

Survey went out to clubs this afternoon (6:45pm). Bud will share results.

Schedule another meeting on Tuesday at 1pm. Mo will put it on Zoom
