This nonprofit corporation was founded by WPLJ 95.5 radio stations morning show host Jayde Donovan in 2010.

The Apple a Day program's mission is to bring joy into the lives of pediatric cancer patients through friendship, communication, sharing, and entertainment. Apple A Day provides devices, such as tablets, iPhones, iPads, other smartphones and laptops to children ages 2 to 17 undergoing cancer treatment, at no cost to them or their families. How can they do that? With support from the community and people like you! Please consider donating a raffle prize or sponsoring our Swim Meet T-shirt.
