

Niagara LSC Safe Sport Reporting Requirement

All potential or suspected Safe Sport Violations depending upon nature and severity should be reported using the “Deal with a Concern” page of USA Swimming Safe Sport.

Clubs that can resolve the issues mentioned should use the “Proposed Letter of Correspondence” and the Model Policies in place for each Club. A copy of the letter should then be sent to the LSC Safe Sport Chairperson for recordkeeping and follow-up.

The more severe Violations that meet the Mandatory Reporting Rule in Article 306 are to be reported using the online form available or by calling the National Office and speaking to the Manager of Safe Sport – Liz Hahn.
