Statement of local protocols and requirements

Message from USA Swimming:

We believe swimming, like walking, hiking, running, and cycling, is a critical healthy activity within our communities. Swimming does not require direct contact between teammates or coaches and social distancing can be maintained throughout practice. As with all exercise and activity at this time, swimming must comply with standards for social distancing and safety within aquatic facilities. We know, with collaboration between USA Swimming coaches, public health officials, and facility operators we can create safe plans for using aquatic facilities to promote physical and mental health opportunities compliant with public health directives. The CDC has indicated that there is no evidence the disease spreads through treated water. Proper operation and maintenance (including disinfection with chlorine and bromine) of these facilities should inactivate the virus in the water.

FACE COVERINGS: EVERYONE is encouraged to wear face coverings or face mask to enter and exit the facility and while at the facility, with exception of swimmers while swimming. Face mask should cover face and nose.

Safe Sport considerations to ensure parents have access to and/or the opportunity to observe their child:

SPECTATORS: Masks will now be optional but recommended for all athletes, officials, coaches, and meet management. The spectator area on the east side of the bleachers will be available but must remain clear of chairs/tents and all spectators are asked to cycle in/out of this area and only use it to view your athlete. Spectators will be able to set up tents/chairs outside of the facility.
There is PLENTY of parking at the facility. Spectators must park across the street. Facility's parking lot is reserved for coaches, officials and volunteers ONLY.

SOCIAL DISTANCING: Everyone attending the meet is encouraged to follow social distancing guidelines (at least 6' apart) with exception of members of the same household.

TIMERS: Timers will be assigned prior to the start of the meet and will print the heat sheet and lane timer sheet at home. All volunteers will bring the own pen. There will be only one timer per lane. The same timer will use both back up button and stopwatch.

TIMING SYSTEM: Daktronics timing system will be used for the meet.

EQUIPMENT: All equipment used at the meet will be sanitized prior to and immediately after the meet is concluded. All radios will be sanitized and placed at the officials' stations. Officials will follow guidelines below suggested by the FGC Officials' Chair.

WARM UP PROCEDURE: Warm up will be open to all teams. Warm down pool will be available throughout the length of the sessions. No lane assignment will be available.

ATTESTATION STATEMENT: In applying for this sanctioned event, the Host, the Coral Springs Swim Club agrees to comply and to enforce all health and safety mandates and guidelines of USA Swimming, Florida Gold Coast Swimming, the State of Florida, City of Coral Springs and Broward County.

FLORIDA GOLD COAST SWIMMING OFFICIATING BEST PRACTICES IN THE ERA OF COVID: SUGGESTIONS FOR MEET REFEREES

- Minimize number of officials on deck: Deck Ref; Starter; AO; 0-1 Stroke/Turn Judges for an intra-squad meet or a dual meet, 1-2 Stroke/Turn Judges for an invitational-style virtual meet. Extra officials may be used as relief teams but should remain off-deck and should practice social distancing when not working.
- Conduct pre-meet briefing by telephone or Zoom conference prior to the start of the meet.
- Officials should report directly to their assigned positions immediately before the start of the meet. Do not allow them to congregate in the starting area.
- Do not require officials to "sign in" when they arrive at the meet.
- Do not count on hospitality being available. Officials should bring their own water bottles.
- Do not share communal radios. Officials should bring their own radios to the meet.
- Officials should wear face coverings at all times while at the meet.
- Avoid using DQ slips or other unnecessary paper. DQ's may be noted on the Stroke/Turn judge heat sheet and the Referee heat sheet should be used as the master DQ log.
- Consider announcing DQ's over the PA or Start System rather than informing swimmers or coaches in-person.
- Communications between officials should be over the radio whenever possible.
- The Starter and Deck Referee should be separated by at least six feet.
- In general, there should only be one Starter. If more than one Starter is used, they must each have their own microphone and never share a microphone.
- Deck Referees should use electronic whistles.
- Consider having the heat that just finished their race swim down to the turn end and exit the pool from the turn end.
- Heat intervals will need to be increased by 30-50 seconds depending on the level of the swimmers.
- The AO/Computer Operator and the Timing Equipment operator should be separated by at least six feet and paper handling should be minimized to the extent possible.
- Officials should shelter in their privately owned vehicles in the event the deck must be evacuated for a weather event.
