

## Program, Registration, Tryouts and Fee Information

Welcome to the AquaKids SHARKS Swim Team! We are a multi-year USA Swimming Silver and Bronze Medal club program with Competitive and *FUN*damental groups. Our competitive swimmers race as part of the South Florida Aquatic Club (The premier club in the Florida Gold Coast LSC)! The AquaKids Swimming Program offers high quality professional coaching, technique instruction and training year round for all ages from beginners to those striving for excellence! Our groups are arranged according to ability, age, desire & commitment.

**Our Mission:** To provide an opportunity for all swimmers to develop in a safe and nurturing environment and strive for excellence while acquiring skills to empower them in the sport of competitive swimming and life.

**Our Vision:** To provide a program where every individual can to learn-to-swim and then develop their skills to the highest level they strive to achieve in swimming at one location.

All of our swim team coaches are USA Swimming certified and have access to the most comprehensive training and certification program for youth coaches of any sport in the United States. They provide assurances that the time children spend in swimming will be quality time.

We are constantly growing and training young swimmers to maintain a well-rounded competitive swim team. We utilize the swimming pool at Westminster Christian School on the high school campus located at 6855 SW 152 Street in Miami, Florida.
