Parent(s)/Guardian(s): \_\_\_\_\_

Activity/Event: \_\_\_\_\_ Effective Date(s): \_\_\_\_\_

Students are required to travel on school provided transportation to all school-related activities and events. However, at certain times, parents may transport students or a student may drive himself/herself. By signing this permission and release form, I/we understand the inherent risks and liabilities involved in the transportation of students and agree to the following:

- 1. The student and Parent(s)/Guardian(s) are required to notify the administrator/teacher that they will be providing their own transportation and/or the transportation of another student at least 24 hours in advance of the school-related activity.
2. If the administrator/teacher decides that self-transportation for this particular event is inappropriate, the student and parent agree that the student will use the transportation provided by the school.
3. It is understood and agreed that permission to provide the student's own transportation is conditionally approved by the administrator/teacher and can be revoked at any time at their discretion.
4. It is understood and agreed that a student will not transport any other students in his/her vehicle, except for his/her siblings who are also students at the school.

RELEASE
