SCRATCH PENALTY: No penalty for scratching on the block with the exception of deck seeded events.

- Deck Seeded Events: Any swimmer entered in a deck seeded event that has checked in for the event must swim the event unless he/she notifies the meet referee before the seeding has begun that he/she wishes to scratch. Failure to do so will result in the swimmer being removed from his/her next individual event in which he/she is entered in on the next day of the meet.
- Prelims: No penalty for scratching on the block in prelims with the exception of deck seeded events. Any swimmer entered in a deck seeded event that has checked in for the event must swim the event unless he/she notifies the meet referee of an injury or illness that prevents them from swimming the event. Failure to do so will result in the swimmer being removed from his/her next individual event in which he/she is entered in on the next day of the meet.
- Finals: Any swimmer who competes in a preliminary heat and qualifies as one of the finalists, as originally seeded, must swim in that event's final; or must notify the scratch table that he/she intends to scratch from that final's event, within 30 minutes of the announcement of the qualifiers. Swimmers may "declare their intention to scratch" within 30 minutes of the announcement of the qualifiers. This means that they must make their final decision within 30 minutes of their last prelim event of the day. Any swimmer seeded in a final who fails to swim that event will be removed from their next event unless excused by the meet referee because of illness or injury. A swimmer not originally qualified for finals who is seeded into a final due to the scratch of another swimmer will not be penalized for failing to swim in that final.
- Scratches must be done individually. "Team" scratches will not be accepted.
- Alternates wishing to swim in an open lane in finals must be standing at the starter's stand, ready to step on the blocks for his/her swim, when the swimmers are called to the blocks. Only the starter will call for the alternate, not the announcer.
