

Palm Beach County Parks and Recreation  
North County Aquatic Complex

Welcome To the North County Aquatic Complex!

We are glad you and your family have chosen to join one of our team programs! While participating in one of our monthly programs we are asking our participants and/or family to adhere to a few policies and procedures:

**General Entry:** Please enter and exit through the **front entrance** for practice Tuesday-Saturday. Friends or family members of a swimmer or diver can swim only during open public swim hours in the designated open swim sections. Please pay general admission at the front office. This covers any liability under Palm Beach County’s insurance policies. If the facility is closed to the general public, only team participants may use the pool and will be permitted to use the **side gate** for entry.

**General admission fees:** Adults 13 and over \$3.45 Children 3-12 \$2.92 and Children under 2 are FREE! Ask the front office about our **“Discount Passes.”**

**Families:** During our general public hours, please follow the pool rules. This includes no diving off starting blocks, and excessive holding of breath. If diving in the diving area please do not move the fulcrum, dive inwards, backwards and/or twists off diving boards. Just ask a lifeguard if you are not sure!

**Team Fees:** Monthly payments are due the 1<sup>st</sup> of each month. Your monthly team fees for your swimmers are used to help insure them while practicing with their coach, and only with their coach present during workout times. A member may be asked not to participate if the payment is not turned in on time. Please speak with the coach, the facility manager or recreation specialist if there are any delays or concerns with a payment. We can not pro-rate fees or issue refunds for these monthly programs.
