WELCOME

Welcome to the Bolles School Sharks! We look forward to working with your swimmer(s)! Our team is a year-round, competitive swimming team offering instruction, training, and competition to young people of all ages and abilities. The team is established by the Bolles School. The team is financed and supported by the Bolles Sharks families. The head coach/aquatics director and the coaching staff supervise the management and operation of the Bolles Sharks.

The Bolles School Sharks has established itself as the top team in Florida as well as one of the top teams in the United States. The team competes in local, regional, national, and international competitions sanctioned by USA Swimming, Inc., the national governing body for amateur swimming in this country, and by FINA, the international governing body for swimming.

THE BOLLES SCHOOL

The Bolles School supports the Bolles Sharks program through the establishment and care of the Bolles Swimming facilities, administrative support (finance, IT, and human resources), and establishment of the Head Coach/Aquatic Director position. The operation of the Bolles Sharks program reflects the values, mission, and policies of the Bolles School.

THE BOLLES SCHOOL VALUES STATEMENT

The Bolles Community strives to reflect in each of our lives respect for the individual. We embrace this philosophy and teach our students that a civilized culture (all that is truly great in human life – in art, in music, in literature, in science, in athletics and in technology) represents the achievements of honest, thoughtful, and often highly learned individuals. The sharing of ideas, ideals, and accomplishments with one another brings mutual respect and often mutual advantage. The success of such people develops highly desirable personal values such as generosity, honesty, hard work, sharing attitudes, high ethical standards, and pride in community.

These values reflect our philosophy of moral growth:

- Respect for the property and opinions of others
- Responsibility for our actions
- Hard Work to achieve mental and physical excellence
- Concern for Others, especially for those less fortunate
- Pride in our community

HONOR CODE

The Honor System is based upon, but not limited to, our Honor Code that states: "I will not lie, cheat, or steal, or tolerate anyone who does." Violation of the Honor Code can be grounds for dismissal from the team as well as the school grounds.

THE BOLLES HONOR SYSTEM

All areas of student life, program membership, and behavior are governed by the Honor System, whose purpose is to provide the growing, maturing individual with on-going developmental experiences leading to and culminating in a firm, secure value system. The Honor System is based upon, but not limited to, the Honor Code: "I will not lie, cheat, or steal, or tolerate anyone who does."

THE BOLLES WAY:

Pursuing excellence through courage, integrity, and compassion.

NON-DISCRIMINATION POLICY

Admission and participation in our programs are open to all eligible swimmers who meet our qualification requirements regardless of race, color, ethnicity, or national origin.

THE VALUES STATEMENT AND EXPECTATIONS REGARDING MUTUAL RESPECT & APPROPRIATE CONDUCT

Whether we attend Bolles as students, visitors, members of its sponsored programs or are employed by the School, there are reasonable expectations governing our conduct designed to help ensure that all in our community are treated with the respect mentioned prominently in our Values Statement, so that each person here is allowed the same opportunity to achieve success without bullying, insult, threat, or harassment. These expectations apply to all forms of conduct and communications, whether physical, verbal, written, or electronic that are consistent with the values set forth above and which go to the very core of this school and its programs. Only those participants willing to show respect for their fellow members of our community belong at Bolles.

COMPETITIVE PROGRAMS

In keeping with our philosophy of providing a well-rounded, quality, competitive swimming program for athletes of all ages and abilities, the Bolles School Sharks offer progressive levels of professional technique, instruction, and training.

AGE GROUP PROGRAM

The Age Group Program provides training to athletes in 8th grade and younger. Swimmers are typically placed into a group based upon age and ability level. The Bolles Sharks strive to ensure that there is a place for all athletes who have a desire to swim competitively, whether the swimmer is new to year-round swimming or is preparing to compete at the regional and state level. The coaching staff is also careful to maintain a swimmer-to-coach ratio that allows for an optimal teaching environment. Quality coaching focused is on progressing athletes technically from Makos to Hammerheads. This is a focused practice group structure that results in better prepared athlete entering our Great White Groups.

MAKO SHARKS (FOUR PRACTICES PER WEEK) Grades Pre-K-1

The Makos are composed of the youngest competitive swimmers in the Bolles Sharks program. The main emphasis of this group is to teach the fundamentals of the competitive strokes. This consists of kicking, drilling, streamline, and the development of the skills necessary for competitive swimming.

TIGER SHARKS (FIVE PRACTICES PER WEEK) Grades 2-3

All swimmers within the Tiger Sharks must be able to legally swim each of the four competitive strokes. Furthermore, sharpening of the competitive strokes through drills and kicking will be emphasized. Starts, turns, and mental skills for training for the next level will also be emphasized.

HAMMERHEAD SHARKS (SIX PRACTICES PER WEEK) Grades 4-5

It is at the Hammerhead Shark level in which swimmers move from primary stroke and technique instruction to more emphasis on training. Drill work and kicking will continue to make up a large portion of the practices; however, swimming sets will be added. At this level, goal setting will be introduced, and swimmers will be expected to be more accountable for their swimming progression. Consistent practice attendance is necessary for continued improvement and advancement to the next group.

GREAT WHITE SHARKS (SIX-SEVEN PRACTICES PER WEEK) Grades 6-7-8

The Great White Sharks take on a much more rigorous training load than the Hammerhead Sharks, while continuing to build upon the skills acquired at the Hammerhead level. Practice times are longer in conjunction with higher yardage requirements. The increases in physical demands require that swimmers regularly attend practices. Swimmers will be expected to understand interval training and will learn how to train at different effort levels and speeds. There will also be a greater emphasis on race strategies. The Great White Sharks represent the final step in the Bolles Sharks age group program.

To accommodate both Bolles School and non-Bolles School athletes year-round, the Great White Program is divided into two distinct groups during the school year:

Great White-Bolles Middle School Students is reserved for Bolles Middle School students, who are also members of the Bolles School Sharks, and

Great Whites which is offered to athletes who do not attend The Bolles School yet wish to be members of the Bolles School Sharks year-round team.

Practice Times will be posted to the team website.

SENIOR PROGRAM (6-9 PRACTICES PER WEEK)

The Senior Program provides training to athletes beginning in the 9th grade. The Bolles Sharks strive to ensure that there is a place for all athletes who have a desire to swim competitively, whether the swimmer is new to year-round swimming or is preparing to compete at the national or international level. The coaching staff is also careful to maintain a swimmer-to-coach ratio that allows for an optimal practice environment.

PRACTICE ENVIRONMENT

While the Senior Program is designed to train athletes in the 9th grade and up, not all these athletes will train together. The Senior Program is typically divided into several groups, though the group classifications may change from year-to-year depending on the needs and numbers of the Senior Program, as well as the vision and philosophy of the coaching staff. The Senior Program will feature a National Group, which is reserved for athletes who have not only attained necessary qualifying standards but are also committed to consistently training at the highest possible level. The senior program strives to create an environment for each athlete to experience competitive swimming as a member of a team with appropriate relation to age, ability, and commitment. All training groups have an expected commitment based on how successful the student-athlete is seeking to be.

To accommodate both Bolles School and non-Bolles School athletes year-round, the Senior Program is always divided into three distinct groups:

- The Bolles Varsity Group, reserved for Bolles School students, who are also members of the Bolles School Sharks.
- The Bolles School students training group, reserved for Bolles School students, who are also members of the Bolles School Sharks. These students also may represent the Bolles School in High School competition.
- The Late-Night Senior program which is offered to athletes who do not attend The Bolles School yet wish to be members of the Bolles School Sharks year-round team.

MORNING PRACTICES / “DOUBLES”

Senior coaches will offer a schedule that includes practices that can be completed before school starts. Consideration is made for their school schedule and afternoon practice schedules and may be adjusted based on the time of year and other factors. No swimmer should expect to attend more than 3 weekday morning practices in a given week and coaches will discuss what is expected of each swimmer individually or as a practice group.

SWIM LESSON PROGRAM (Non-Competitive)

The Bolles School Sharks Swim Lesson Program combines the expertise of the Bolles Sharks coaching staff with the innovative concept of a swimming school, where students attend a bi-weekly swimming class designed to teach them the fundamentals of both water safety and swimming. These programs are available throughout the year; please check the team website at www.bollesswimming.org, for up to date availability.

JUNIOR MAKO

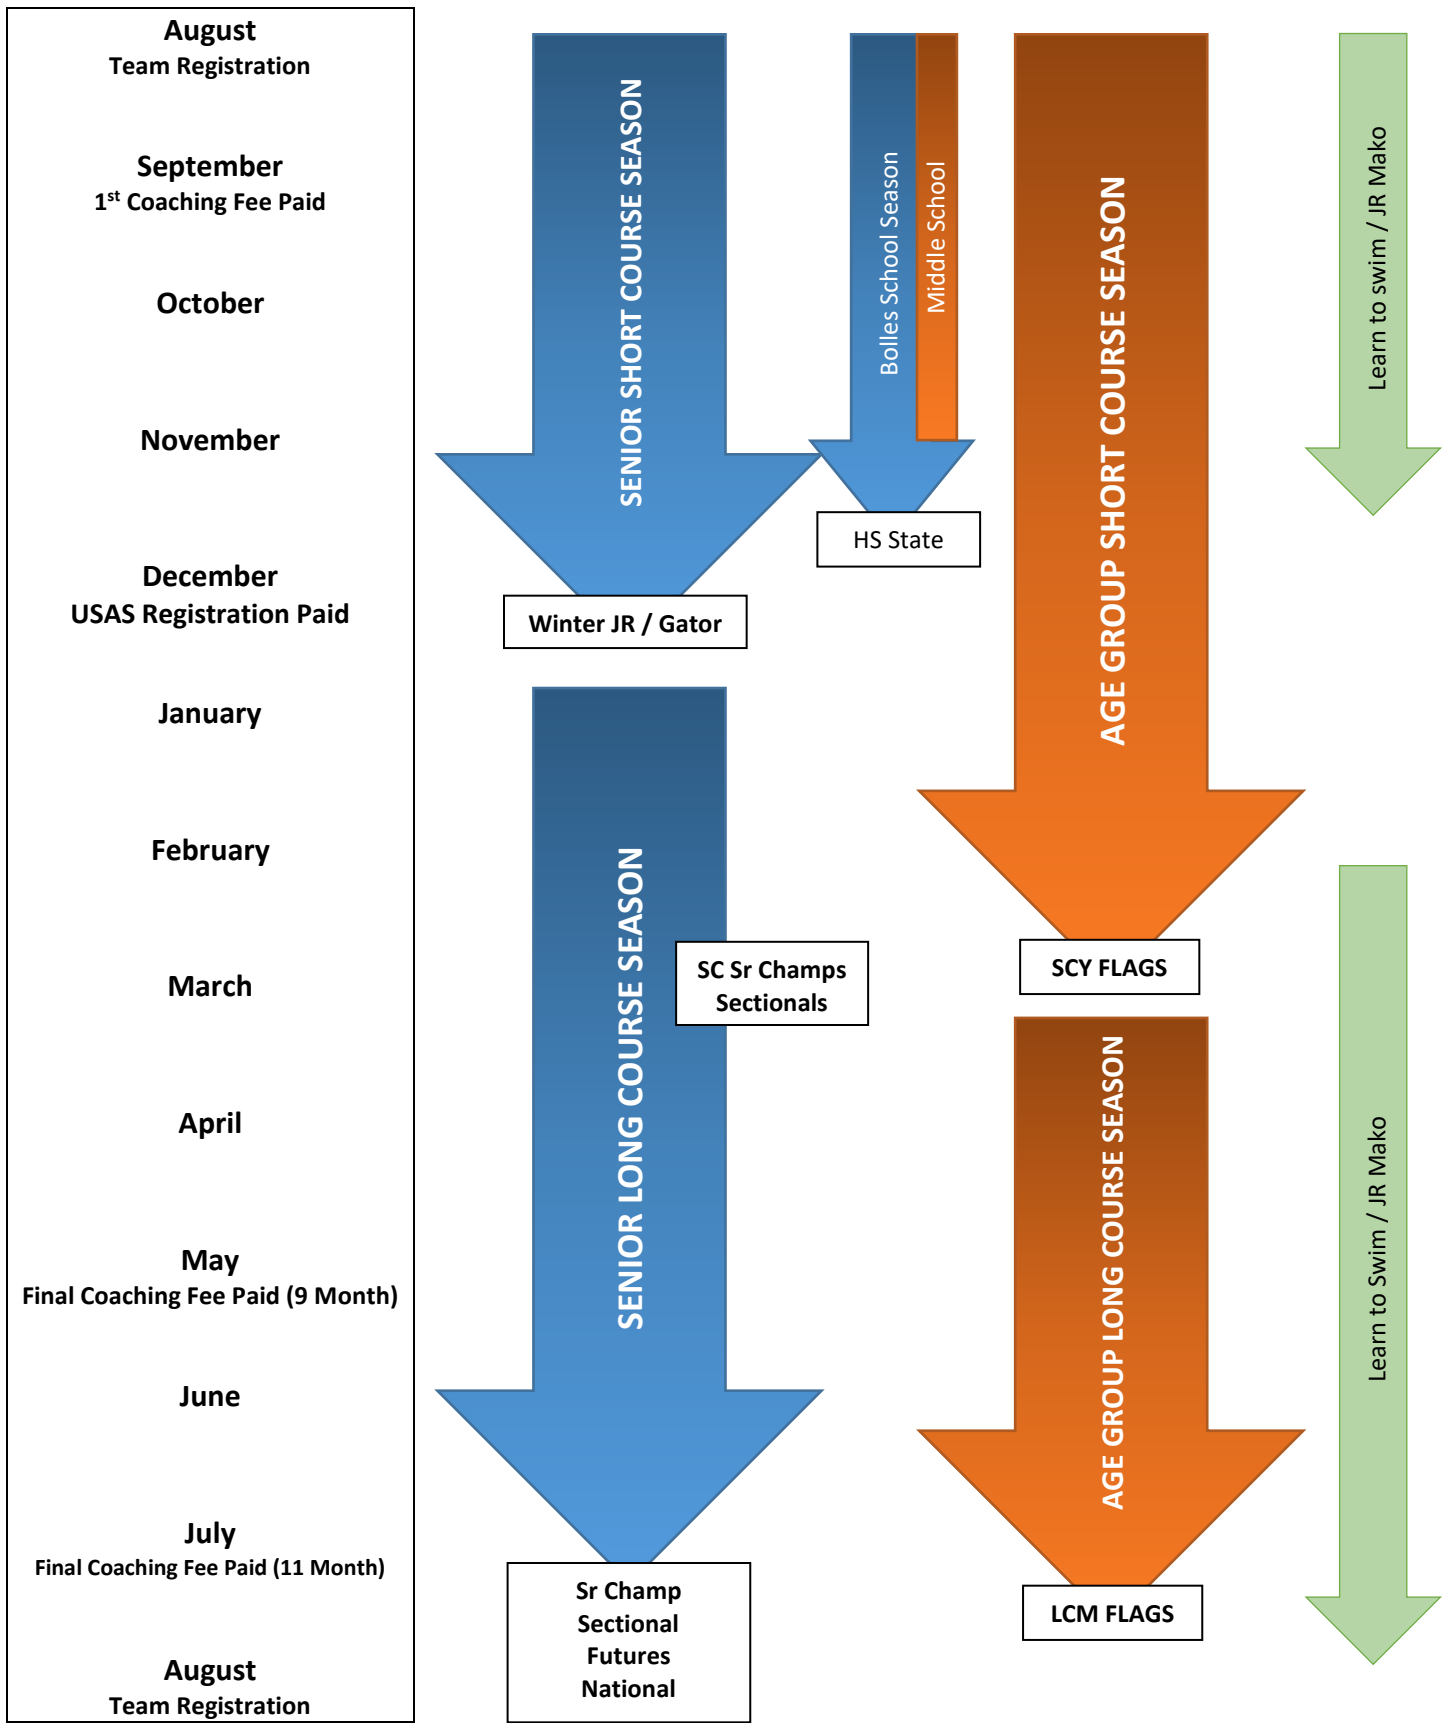

Junior Mako Sharks represent the steppingstone from swim lessons to our youngest competitive group, the Mako Sharks. Continuing with teaching the competitive strokes, coaches working with the Junior Mako Sharks instruct the swimmers from the pool deck rather than from the water. Junior Makos work towards being able to complete at least one half of a 25-yard lap of both freestyle and backstroke. Swimmers must be able to kick 25 yards, swim 15 yards with their face in the water, as well as complete 25 yards swimming on their back to participate.

LEARN TO SWIM

This group uses fun to introduce swimming to young children, doing so in a safe and controlled environment. Featuring a small swimmer-to-coach ratio, instructors remain in the water with the athletes and provide instruction in the competitive strokes. A goal of this group is to prepare children to be proficient enough to move into the Junior Mako group. Swimmers must be toilet- trained to qualify.

STUDENT-ATHLETE EXPECTATIONS

These are expectations of the swimmers in the Sharks program with respect to their age appropriate groups. These expectations are meant to establish minimum acceptable behaviors for achieving the goals of the swimmers and of the Bolles Sharks as a club.

- Use great POSTURE – in and out of the pool.
- Be PRESENT – the most consistent factor in swimming improvement is attendance, be here!
- Be POLITE – to your teammates and coaches, listen when a coach is speaking.
- Be PROMPT – to practices and all activities, respect others by respecting their time.
- Be PREPARED – to practice with the right equipment, suit, clothes, and attitude.
- Be PURPOSEFUL – in all that you do.

ATTENDANCE EXPECTATIONS

Each training group has specific attendance expectations appropriate for the objectives of that group. As a rule, the least possible interruption in the training schedule will produce the greatest amount of success. The expectation level of the coaches' that each swimmer attends practices increases as swimmers move to older groups.

We believe each swimmer should strive to attend all practices offered based on the goals and desired outcomes for that swimmer. Please ask your group coach what to expect in any individual circumstances.

For the safety and protection of the swimmers they should arrive at the pool no more than 15 minutes before the start of practice and be picked up immediately after practice. It is imperative that the swimmers arrive on time so that the coaching staff can efficiently use the allotted time; however, it is also extremely important that children not be left unsupervised at the pool prior to or after practice. The coaching staff is NOT responsible for supervising athletes either prior to or following a practice session

Each swimmer should plan to stay the entire practice as each practice is designed to be most beneficial when completed in its entirety and coaches often make announcements at the end of practice. If your child needs to be dismissed early from practice, please notify the coach prior to the beginning of practice.

All practice groups are expected to be at their designated starting place with their practice equipment ready to start practice on time. Swimmers must notify their coach if they leave the pool and/or pool deck at any time during the practice.

INJURY & ILLNESS

Whenever possible, the coach should be informed in advance of an illness or injury, regardless of how serious or trivial it may be. If your swimmer will be out of the water over a long period of time with an injury or illness, please notify your swimmer's coach by phone or email. If the swimmer will suspend participation due to injury for over 1 month, please contact the swim office regarding billing.

WEATHER

Practice is only cancelled if The Bolles School closes, otherwise parents are expected to use their best judgement whether to bring their swimmer to practice. If bad weather is imminent, we ask that parents stay on campus in the event swimmers are dismissed early. Communication regarding potential bad weather will be sent as soon as possible.

COMMUNICATION EXPECTATIONS

We strive to communicate as effectively as possible with all members while also balancing policies that protect our staff, families, and young swimmers. We always welcome conversations with parents and student-athletes even if the content of the conversation can be difficult.

- Communication from the coaching staff regarding most general topics (upcoming meets, practice changes, etc.) will be sent via email on a weekly basis. Please be sure you are receiving “Weekly Emails” from the coaches for the groups your swimmer is in.
- Communication specific to your will generally come in an email or phone call from a coach. In some instances (such as during a travel event) we may need to use text.
- Coaches will not communicate directly with student-athletes unless another adult staff member or a group of student-athletes are copied on the message. Please read the Bolles Sharks Minor Athlete Abuse Prevention Policy for further information.
- Coaches will strive to respond to emails within 48 hours and phone calls within 24 hours. Please be aware we work to avoid scheduling any meetings during practices times to prioritize our focus on the swimmers in the water. Coaches are also asked to avoid communication between the hours of 8PM and 8AM to focus on their families and selves, please respect their privacy during those times.
- Emails and messages with the use of foul language, insults, or inappropriate content will not be considered worthy of responding to and may result in removal from the team. Be respectful and calm even when bringing forth frustrations so that we as a staff may assist resolving the issue with you.
- Try to keep foremost in your mind that you and the coach have the best interests of your child at heart. If you trust that the coach's goals match yours, even though his/her approach may be different, you are more likely to enjoy good rapport and a constructive dialogue.
- Keep in mind that the coach must balance your perspective of what is best for your child with the needs of the team or a training group that can range in size from 20-200 members. On occasion, an individual child's interest may need to be subordinate to the interests of the group, but in the long run the benefits of membership in the group compensate for occasional short-term inconvenience.
- If your child swims for an assistant coach, always discuss the matter first with that coach, following the same guidelines and preconceptions noted above. If the assistant coach cannot satisfactorily resolve your concern, then ask that the head age group coach or head coach join the dialogue as a third party.
- If another parent uses you as a sounding board for complaints about the coach's performance or policies, listen empathetically, but encourage the other parent to speak directly to the coach. He/she is the only one who can resolve the problem.
- Discussions with the coaching staff ARE NOT/WILL NOT be held during practice or meets.

PARENT CODE OF CONDUCT

The following rules apply to parents of the Bolles School Sharks program. We consider our parents to be part of our team and if needed may ask for parents to change or align their behaviors with the goals of our program. In extreme circumstances families may be dismissed from the team for parent conduct.

- During workouts, the pool deck is for coaches and swimmers. If you need to speak with the coaches, please call or email before practice. Swimmers and parents are discouraged from disrupting the coach or other swimmers with unnecessary communication, unless of course, an emergency.
- Parents are responsible for a swimmer's behavior before and after workouts. This includes carpool members as well.

In accordance with the governing body of USA Swimming, Inc., parents may observe practice from the designated bleachers. - Criticizing, name-calling, use of abusive language or gestures directed toward coaches, officials, and/or any participating swimmer will not be permitted or tolerated. These expectations apply to all forms of conduct and communications, whether physical, verbal, written, or electronic.
- Always maintain self-control. Know your role.
 - Swimmers - Swim

All members of the Bolles School sharks must be registered members of USA Swimming. This requirement allows the Sharks club to offer its members participation in USA Swimming meets, USA Swimming insurance coverage, certified USA Swimming coaches, and more. **All new members to USA Swimming will be billed for this registration when they join the club. Returning members to the club will be billed for this amount in December of each calendar year.** This amount is paid directly by the club to USA Swimming through our Local Swimming Committee (LSC) which is "Florida Swimming". USA Swimming FLEX Registration is available to those swimmers who will participate on a reduced competition schedule, while still offering participation, as well as insurance coverage, certified USA Swimming coaches and more.

2020-2021 USA Registration Fee: \$85 per swimmer (no differences for age)

MEET FEES

Swim Meets require specific fees to be entered and to participate. For the host team this provides a source of revenue to cover the costs of the event and support the team. These fees are NOT included in the coaching or registration fees. These fees are incurred prior to every swim meet and our team website calculates and applies the amounts for each swimmer to the member's account.

Swimmers (or their families) will be asked via email and by their coaches to commit to an event by using our team website. We will only enter swimmers who have committed to be entered to an event so we have an agreement that you will be billed for the costs of the meet. Each meet will have a commitment deadline and we ask that you consistently read emails to be aware of the deadline.

Swimmers can expect to participate in anywhere from 5 to 15 club swimming meets each year. Each meet generally requires a meet surcharge (flat fee to enter) and a per event fee. The amounts for these fees can be found in the meet information the coaches use to outline the rules and regulations for the meet. Bolles swimming includes a small upcharge for each meet to help cover the cost of relay entries and providing coaches for the meet. For meets in the Jacksonville area \$5 will be added and for out of town meets \$20 will be added (per swimmer). This process has been in place for the previous 4 years.

TRAVEL MEETS

Swim meets that require travel are one of the best parts of a swimmer's experience. Many times, these trips offer a chance to bond with other teammates, make new friends, build great team chemistry, and connect with other parents. We encourage you to enjoy travelling with Bolles as much as possible. With travel comes additional expenses. If a swim meet requires travelling (staying overnight) you can expect these expenses:

Family Travel meets indicate that the arrangements for the family and athlete to attend the meet should be made by families. Please look up the meet location and select accommodations and travel plans appropriate for your athlete. Coaches will provide a schedule and other information to make the trip as organized as possible. Families will incur the expenses for any travel related costs of the meet.

Team Travel meets will be organized to provide transportation, lodging, and specified meals for athletes to travel together with teammates and coaches. Bolles is unique in that our middle and high school boarding athletes will usually require us to provide a team travel option for away meets. We may not be able to open this option to more swimmers depending on the type and location of the event. For team travel, Bolles Sharks will incur the costs of travel and bill the expenses to each member participating. The following process and policies apply:

- A travel commitment will be posted online to qualified athletes prior to the event with a budgeted amount event. Once signed and returned the amount will be billed to the swimmers account (in some cases prior to the meet).
- Travel costs are determined by totaling all expenses and dividing them by the number of swimmers. Only in special circumstances will separate amounts be billed for individual swimmers.
- All efforts will be made to find quality accommodations for our team. Factors such as proximity to pool, the age of the athletes, the focus of the meet, the cost of travel, and duration of the travel will be factors.
- Travel costs will include the expenses for coaches attending. Except:
- Travel costs for Futures, Junior Nationals, and Nationals do not include coaches travel expenses
- Florida Swimming offers reimbursement for travel for Futures, Junior Nationals, National events up to twice per year. There is a process to turn in expenses and be reimbursed. For Team Travel the Bolles Sharks will submit the form for reimbursement, for families travelling we will support you in submitting the forms.
- Team Travel is not required for all meets, in some cases coaches may require it as an event to develop the swimmers or team in a specific way, this will be communicated as necessary.

PAYMENT METHODS

Bolles Sharks Fees may be paid via the following methods.

Credit Card or Automatic Account Debit (Preferred)

At registration a payment method will be required to process your registration. Members are expected to enter a Bank Card or Credit Card on file that will automatically be processed for the account balance and any new fees on the first of each month. You will receive an email prior to the 1st of the month notifying you of upcoming charges. It is the member's responsibility to maintain a valid credit card on file, you will be notified via email of any failed transactions.

Lump Sum Payment via Check

For families interested in paying the annual cost of the coaching fees in one payment, they may pay via check only prior to September 1st. There will be a 2% discount from the annual total for paying via check. A valid payment method must remain on file for meet fees and other expenses. Multi swimmer discounts and Bolles employee discounts will only be applied if paying for all competitive swimmers at one time. Please contact the swim office for the exact total prior to payment.

Cash Payments (Not Preferred)

For families that have a good standing history of on time payments and are not carrying a balance on their account we can offer the opportunity to pay in cash or check for a limited time (up to one season). Payments must be made by the 15th of the month to avoid a late penalty. Members wishing to pay in cash must have an agreement in writing (confirmation email) from the swim office.

Bolles School FACS System (Boarding Students only)

If necessary, we can transfer your account balances to the Bolles School FACS system for payment. This is really reserved for international students and boarding students at the Bolles School. Please email the swim office for further information after your complete registration.

LATE FEES

If a member's account balance is not paid in full by the 15th of the month of billing, an extra fee of \$20 will be applied to the account.

CANCELLATION POLICY

In the event a swimmer or family chooses to deactivate their account, the Swim Office must be notified by email before the last day of the monthly billing cycle to avoid being billed for the next month's coaching dues. All outstanding fees and service hours must be paid, or FL Swimming Inc. will be notified of the swimmer's delinquency and a team transfer will not be granted until all financial obligations are met.

Swimmers who participate in a practice or meet within a given month are considered active for that month. There will be no pro-ration for cancelled accounts mid-month.

COACHING FEES ARE NON-REFUNDABLE

Coaching Fee payments are nonrefundable for any reason. As soon as a member notifies the swim office of cancellation and swimmer stops participating then payments will be stopped. There is no pro-ration of fees for participating only a portion of the season. We will strive to hold a position for all members who deactivate during the season, however there is no guarantee the swimmer will be able to re-activate without paying the registration fees. Please communicate any plans to swim or compete at the time of deactivation.

OTHER EXPENSES

Swimming occurs more expenses than those listed above as registration, coaching, and meet fees. Here are other expenses you can expect to incur not included in the above fees.

- **Equipment:** Each practice group has a list of required equipment used to help develop the swimmer (fins, paddles, etc.). We work closely with equipment manufacturers to recommend equipment suitable for each swimmer at their respective ages. Please refer to the team website to see the list of required and suggested items for your swimmer's group. Swimmers who are not prepared with proper equipment will not be able to fully benefit from the practices offered.
- **Apparel:** Registration fees include a Team Cap and 2 Shirts distributed throughout the year. Being a member of the Bolles School Sharks requires that team members wear apparel assigned by coaches to promote the sense of team and the unity of teamwork in competition. Here are required items for all swimmers that are not included in above fees.
 - Navy Blue Team T shirt: Available for Purchase in the Campus Store or Swim Office
 - Orange Team T Shirt: Available for Purchase in the Campus Store of Swim Office
 - Team Caps (Replacements): Latex & Silicone caps are available for purchase in the team store.
 - Optional but Suggested: Team Sweats, Bags, and Sweatshirts: Available on the Team Webstore.

 - **Practice Suits:** It is a Bolles School tradition to wear the team practice suit (Solid Navy TYR Suit) available on the webstore or in limited quantities in the swim office. Swimmers are not allowed to wear personal suits for practices unless notified by a coach (holidays, etc.). Swimmers are never allowed to wear two-piece suits at Bolles practice or at Bolles meets.
 - **Racing Suits:** For most meets during the year the team practice suit may be used for warm up and racing. Coaches will notify swimmers prior to the meet is technical suits will be allowed for Bolles swimmers. As coaches we work to balance the long-term path of the athlete and the cost of the suits to better promote the core values of our sport. Swimmers wearing technical suits at a meet not designated for them will be asked to change or leave, regardless of what competitors may be doing.
 - **Technical Racing Suits:** Athletes should wear the TYR suit models best suited for their development. 12 & Under Athletes are not allowed to wear technical suits in competitions other than Junior Nationals and higher per USA Swimming rules as of September 1st, 2020. All Bolles swimmers are required to wear TYR brand suits. Athlete may be asked to change at a meet if not wearing a TYR Team Suit. Athletes who are fitted for, try out, and discuss possible options for other suits with the coaching staff will be supported in what is best for their racing.

As long as an account remains in good standing, members may "charge" items sold in the Swim Office to their Sharks account (T-shirts, caps, towels) with the expectation that their account will be paid in full on the first of the following month.

FINANCIAL AID

The Bolles School Sharks do not currently offer financial aid for Coaching Dues, Registration, or Meet Fees. If you have questions about how to make our program work for you, or experience hardship financially, please contact the swim office. While we would like to be sure every student-athlete has an opportunity to participate, we strive to take care of our financial commitments to our staff and operations as a top priority.

MEET SERVICE COMMITMENT

To ensure that The Bolles School Sharks swimmers can participate in team activities, swim meets, as well as supplement operating expenses, the Bolles Sharks must host swim meets throughout the year. All team affiliated events are staffed totally by parent volunteers and cannot run without family participation. The Bolles Sharks is very fortunate to have an incredible group of very committed members who have volunteered generously; however, it did become necessary to implement a Service Hour Obligation policy to ensure that ALL families participate.

A family's willingness to volunteer will have a great impact on their child's athletic experience and love for the sport of swimming. Regardless of whether a swimmer participates in a meet, it is the positive experience of being involved in the whole TEAM event that will give each athlete the support and fellowship offered by being a valuable member of the Bolles Sharks TEAM.

The intent of this policy is not to raise money, but to ensure that The Bolles School Shark (BSS) swimmers have the opportunity to participate in competition, as well as emphasize how very important it is that as members of a team, the volunteer effort required is shared equally among its members. We need help from everyone to continue to support the mission and vision of our team.

1. Each family is required to provide a volunteer at every Bolles School Shark hosted USA Swimming Inc. sanctioned swim meet that their swimmer commits to and participates in from September to July of the current swim year, 2020-2021.
2. Each family, whose swimmer commits to and participates in a BSS hosted swim meet, must sign up for ONE FULL SESSION during BSS hosted swim meets, and TWO FULL SESSIONS at the 2021 BSS TYR June Summer Classic.
3. Families are always welcome to volunteer above and beyond the requirement.
4. Bolles School boarding students that are also Shark members are required to volunteer at Bolles hosted swim meets from September to June of the current swim year. These hours will count towards required school community service hours and opportunities will be communicated from the coaching staff.
5. **In the event a family does not participate in volunteering at a hosted meet, \$100 per session will be billed to the members account directly following each hosted swim meet.**
6. Failure to comply with the team policies may result in suspension or dismissal from the Bolles School Sharks swim team.
7. In the cases of hardship for families with a healthy history of volunteerism, communication prior to the event will allow the swim office to work with you on a reasonable solution.
8. Volunteering at away meets (hosted by other teams) will not count towards Bolles volunteer requirements.
9. If your swimmer NEVER participates in Bolles School Shark hosted swim meets, then you are asked to donate 1-2 cases of bottled water to be used at each home swim meet.
10. Community Service credit is available for anyone who volunteers and needs to earn community service hours.

Bolles School Sharks official 2020-21 registration will stand as agreement to the above conditions.

BOLLES SCHOOL BOARDING STUDENTS

Many students travel from around the United States and World to be a part of swimming at Bolles. The traditions of Olympic success, State Championships, and personal excellence continue to thrive in the swimming programs at Bolles. To support these student-athletes there are specific policies adapted from within the team handbook.

STUDENT-ATHLETE EXPERIENCE

We welcome student-athletes of all ability levels and we strive to provide an environment to support student-athletes committed to swimming regardless of their background. As students arrive to Bolles coaches will work with them to best direct them to the programs and groups that are appropriate for their long-term goals and current growth. The following programs are available to Middle and Upper School Boarding Students:

MIDDLE SCHOOL (Grades 6-8)

Jr Varsity Competitive Swimming: Students interested in competing in the JR Varsity program to represent the Bolles School will be able to practice Monday – Friday from 3:35-5:35 alongside the Bolles Students Great White group. The only fees for this group are the \$100 contribution to the team parents account and in some cases meet travel fees. The season will start on August 12th and finish November 9th. Athletes will be eligible for FHSAA competitions only.

Great Whites (Bolles School Sharks Club): Year-round club swimming for Bolles Middle School students is offered from 3:35-5:35PM Monday – Friday with additional practices on Wednesday and Saturday morning. Participation in this group will include registration with the Bolles School Sharks and participation in FHSAA and USA Swimming meets.

UPPER SCHOOL (Grades 9-12)

Varsity Competitive Swimming: For students looking to enhance their academic experience at Bolles and be a part of the Bolles Championship team. Practices are from 3:30-5PM Monday-Friday and students are eligible for FHSAA swim meets only. Fees for this program are on the \$125 contribution to the team parents account and in some cases meet travel fees.

Bolles Sharks Swimming (Senior Group): For students interested in committing to year-round swimming to pursue goals at the state, national, and international level. Student-athletes are expected to commit to the full swimming program and agree to the policies and procedures of the Bolles School Sharks. Up to 9 practices including on land training will be offered each week. Participation in this group will include registration with the Bolles School Sharks and participation in FHSAA and USA Swimming meets.

Student-athletes electing to participate in the Bolles Sharks Senior program will be placed in practices groups based on their experience in the sport, level of competition, and ability to understand and excel at practices. These practice groups will be communicated to them at the beginning of the season.

For student-athletes who come to the Bolles School to experience the swimming program, our coaching staff will expect them to remain committed to the program they choose. While parents may not be around to help oversee them, coaches will work with the dorm staff to make sure they are consistent with practice attendance and managing their academic schedules to be able to attend all practices.

For many of our club swimming members, competing in the NCAA as a collegiate student-athlete is a career goal. We help all our student-athletes seeking to pursue swimming beyond high school. For Bolles students we work closely with college advisors to help them navigate the college selection process. Student-athletes need to understand that for most (even small) college opportunities, commitment to the year round Sharks program is a basic expectation of college coaches.

BOARDING STUDENT MEMBERSHIP ADJUSTMENTS

Boarding students participating with the Bolles School sharks are expected to maintain membership with the Sharks club independently from the Bolles School. In other terms – membership with the Bolles School sharks is not related to enrollment, financial aid, or tuition costs of the Bolles School. Below are the expected membership policies for Bolles Boarding Students.

REGISTRATION

Families will be contacted in August to register online for the year. At this time, you will agree to team policies and pay the \$150 registration fee.

There will be a separate registration process for Varsity swim team that will require a payment of \$125 for the Team Parents account.

COACHING FEES

Boarding students are obligated to pay the \$2025 annual coaching fees for the senior groups of the Sharks club.

Boarding students will have a \$184 installment charged to their account on the first of every month for 11 months.

Should the swimmer decide to return home for the summer, please notify the swim office and they will not need to pay the May, June, or July fees. Swimmers staying in Jacksonville for the summer should expect to pay the full 11 months of fees.

MEET & TRAVEL FEES

For each Bolles Sharks competition (most of which start in the winter after high school season) families will be asked to *commit* to the event via the team website. Student-athletes will NOT be entered in a competition without a commitment online. For any meets with associated travel costs (team travel options will be offered for any boarding students for out of town competitions) those costs will be sent to families prior to meets and a team travel commitment will be required to be included in the meet. The expenses for each trip will be billed to your team account.

MEET SERVICE COMMITMENT

We understand it is difficult for parents of boarding students to commit to serving at our meets. In place of this requirement we ask boarding students to help with setup and breakdown of meets here at Bolles and to support our program by volunteering at the “Ping Pong” meets for our non-competitive programs. This is a great way to get service hours and give back to the sport. We will ask that the students serve in these roles for 10 hours per season total or a \$100 charge will be added to the swimmer’s account.

INTERNATIONAL STUDENTS

Many students who board at the Bolles School represent their home countries in competition. Communication is critical for a successful partnership to support each student in their goals of competing in or for their home country. Please provide in writing to the head coach the exact dates, meet information, and any other necessary travel information for possible competitions during the year. Bolles swimmers will be registered as foreign athletes in USA Swimming and will need to compete in USA competitions while here at Bolles. Boarding students will also be eligible to compete in FHSAA competitions and championships. In some cases, athletes may not receive the same eligibility for FHSAA competition, please pay close attention to turning in the correct paperwork and transcripts to the Bolles School.

PAYMENT METHODS

For some international families, transactions with the team website may present problems with foreign credit or bank cards. In select cases and with ample communication, The Bolles Sharks may transfer your swimming fees and expenses to the Bolles School FACS system.

TEAM APPAREL

Boarding students are expected to purchase and wear team apparel consistent with the Bolles School team policies. Including wearing TYR technical suits at meets.

Practices and meets are hosted at: The Bolles School, Uible & Lobrano Pools, 7400 San Jose Blvd., Jacksonville, FL, 32217

General public restrooms with individual lockers available (must provide your own lock) and located on the back side of the Uible archway structure. As such, there are likely to be people who are not associated with BSS in the changing area around the time of practice. It is suggested that swimmers arrive dressed for practice and bring warm clothing to put over their swimsuit at the conclusion of practice. No showers are available.

During hosted swim meets, the Uible restroom and lockers are for participating athletes ONLY and will be monitored by security guards outside of the entrances. Portable bathrooms are located outside of the pool fence and there are numerous other public restrooms open around campus. Maps are available upon request. Athletes are NOT allowed in the public restrooms during a swim meet. If during practice or a swim meet, an athlete needs assistance with his or her uniform or gear (for example, a child under the age of eight), or an athlete's disability warrants assistance, then we ask that parents accompany their athlete in one of the public restrooms.

FREQUENTLY ASKED QUESTIONS

- **What does the team registration fee pay for?**

The registration fee covers expenses that include credit card fees, administrative costs, travel expenses, and costs for T shirts & caps. Each swimmer will receive 2 T-shirts and one latex cap each season. There will be a white 'registration' shirt each September with a unique design, and another "Championship" shirt for our athletes to wear at their big meets starting in December. The USAS Registration is a fee paid to register each swimmer with USA swimming and is 'passed through' to USA swimming.

- **In what months do I pay coaching fees?**

After completing registration in August, your account will be automatically be charged on the first of each month. For 9-month groups (Hammerheads, Great Whites, and Seniors) this will start September 1st and the final payment will be May 1st. For 11-month groups (Makos and Tigers) the first payment will be September 1st and the final payment will be July 1st. There will be no coaching fees collected for any group in August as this is the time, we will collect registration fees for the next season. We employ full time coaches year-round and in order to provide the level of coaching we feel is appropriate we need to collect fees that reflect our commitment to year-round swimming.

- **Why do Tigers and Makos pay over 11 months vs 9?**

For our youngest competitive groups, we want to make entering the sport and staying in the sport as simple as possible. For these swimmers the emphasis is to consistently have fun learning at practice and they may have other commitments and sports that add to their growth. Paying over 11 months makes their payments more manageable. To the contrary, asking our higher-level competitive groups to pay over 9 months benefits them by not charging fees during busy (and typically expensive) summer months.

- **Will annual fees increase every year?**

Annual fees at Bolles have not been adjusted in recent seasons for an increased cost of living that all businesses typically factor in. Each year it will be typical to see a small increase in fees for the same programming, and if new programming is added or enhancements made, we may need to increase fees accordingly. Bolles and the Bolles School Sharks are non-profit entities. Our mission is to impact our members and perform at the highest level, so we only want to ask for financial commitments that facilitate that mission.

- **What do annual coaching fees pay for?**

The coaching fees collected are budgeted to cover the annual cost of hiring, employing, and developing our coaching staff. The greatest strength of our club is the knowledge and connection of our coaches and we want to make sure these fees allow us to hire and develop the best staff possible.

- **What other fees can I expect?**

The cost to travel to and enter swim meets or events are not included in the Coaching or Registration fees. The only other fees will be for missed meet service opportunities. Equipment and suits are not included in any team fees.

- **Has the Multi-Swimmer Discount changed?**

We will discount the coaching fees incrementally for each additional swimmer. The total discount will be taken as a percentage from your monthly invoice. Starting in 2020 families with 4 or more swimmers will receive a percentage discount from their total fees.
