Deck entries will only be accepted for swimmers already entered in the meet and if qualifying times are proven (via SWIMS [self-entered times are not acceptable]). A swimmer may not drop an event to deck enter another event.

Entries will only be accepted for known empty lanes. New heats will not be created. Entries for deck-seeded events will only be accepted if the allowable entry numbers have not been met, or the meet timeline will not be extended. If accepted, deck entered swimmers will be entered in deck-seeded events at the qualifying time and placed in the slowest heats.

Deck entry forms will be available from the Clerk of Course. Entries must be turned in to the Clerk of Course with entry fee at least 30 minutes prior to the start of the session.

The Meet Referee must first fill empty lanes in deck-seeded events with pre-entered and checked-in swimmers from the other gender (regardless of allowable entry numbers); and may combine the slowest heats.

Scratches:

Preliminaries: No penalty for scratching on the block in pre-seed preliminary events. Failing to swim in deck-seeded/positive check-in events will result in the swimmer being barred (scratched) from the next individual event (preliminary or timed final) in which the swimmer is entered. (Note: "Declared False Starts" may be used in any preliminary or timed final event.)

Finals: Any swimmer who competes in a preliminary heat and qualifies for either championship or consolation finals must declare his/her possible intention to scratch within thirty (30) minutes of the announcement or posting of the preliminary results of that event and further declare his/her final intentions within 30 minutes of his/her last preliminary event. Scratching from finals will be declared by drawing a single line and initialing on the preliminary results maintained by the Clerk of Course/Administrative Referee. "Failure to swim" will be penalized by the swimmer being automatically scratched from their next individual final or individual event, whichever occurs first. The Referee may insert the next eligible swimmer into finals or consolation finals once a "failure to swim" is declared and in any vacant lanes resulting from the penalty. Declared false starts in finals will be considered a "failure to swim" and will draw the same penalty. In the event of illness or injury, certified to the satisfaction of the Meet Referee, there will be no penalty.

Note: Alternates wishing to swim in an open lane in finals must report to the Referee at the start area and be prepared to step on the block prior to the start of the event.

Should one age group be full and another not, the Meet Referee can combine heats to allow a total of 12 heats and/or 120 swimmers. Top 40 of each age group will be given priority to swim. See "1650 Free" for age group allocation and other information. All heats will be swum during preliminaries. Swimmers will need a timer and a counter for the 1650 free.

Check-in by 9:00 am on the day of the event is required to be seeded in the event. If the Sunday morning events are separated into two pools by gender, the Meet Referee may include a 10 minute interval between the completion of the 200 butterfly and the first heat of the 1650 freestyle.
